FOREWORD

To portray in black and white the vivid but intangible memories of our too short stay at McCallie is an impossible task. We do, however, herein endeavor to catch fleeting glimpses of this enjoyable period, and if in later years this book might suffice to refresh your memory, we will feel that our effort has not been entirely fruitless.

ALMA MATER

•

McCallie, dear McCallie School,
thy loyal sons are we,
Strong in thy strength we'll ever
stand, and true we'll always be;
In thee we place our fondest trust,
For thee our prayers shall rise;
Oh, Alma Mater, hail, all hail!
We lift our song to thee.
Oh, Alma Mater, hail, all hail!
We lift our song to thee.

DISMISSED

SENIOR SANCTUARY

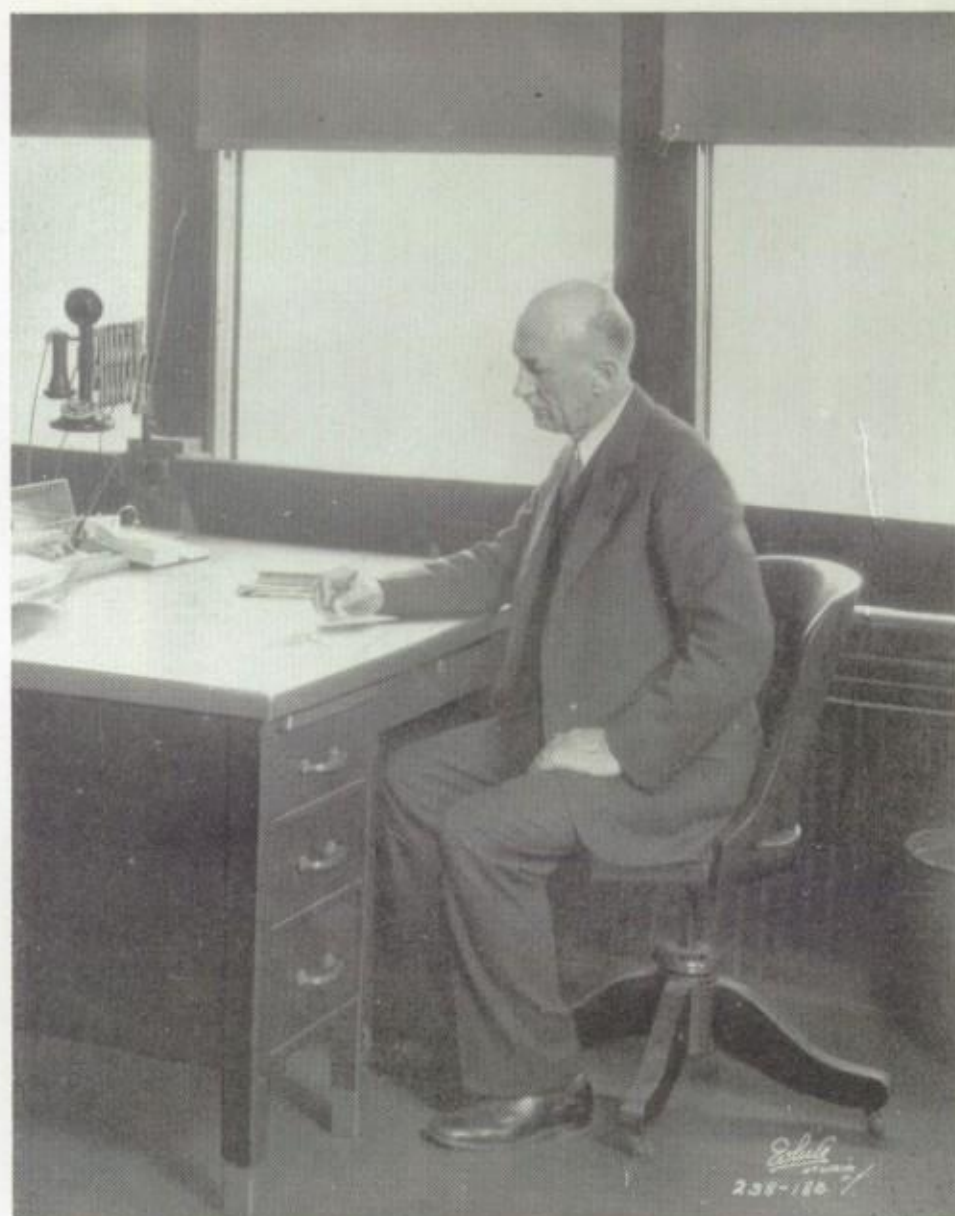

Administration

The McCallie School was reorganized at the start of the present school year as a non-profit organization under a board of trustees. Dr. S. J. McCallie was made president of the newly-formed board; Mr. Robert L. McCallie, vice-president; and Dr. J. P. McCallie, secretary and treasurer.

The executive committee is composed of the Headmasters and Messrs. R. L. McClellan, E. E. Brown, and John L. Hutcheson, Jr. Other members of the board include Mr. J. E. Millis of High Point, N. C.; Dr. R. F. Thomason, Registrar of the University of Tennessee at Knoxville; Dr. J. L. Bibb, Rev. G. Allen Fleece, Mr. Llewellyn Chapman, Mr. John S. Fletcher, Mr. S. J. McCallie, Jr., and Mr. Morgan Bright.

The faculty and staff have been enlarged to take care of the enlarged student body this year. The Headmasters, Drs. S. J. and J. P. McCallie, are completing their thirty-third year at the helm of the school, during which time the enrollment of

DR. JAMES PARK McCALLIE
B.A., M.A., Ph.D., LL.D.
Headmaster
Secretary-Treasurer Board of Trustees

DR. SPENCER JARNAGIN McCALLIE, SR.
A.B., A.M., Ped.D.
Headmaster
President Board of Trustees

McCallie has increased from fifty-seven to three hundred eighteen, and the physical equipment has been enlarged and improved from the original single frame building to the present school plant.

Dr. T. E. P. Woods, Associate Headmaster and head of the Bible department, has been here longer than any other member of the teaching force, seventeen years, although Dr. J. L. Bibb, school physician, has been with the school in that capacity for twenty-five years. Mr. R. L. Sager, head of the scholarship committee and mathematics department and assistant in athletics, has been with the school since 1924.

Four members of the faculty came the following year: Mr. A. L. Burns, head of the modern language department and master in charge of dormitories, instructor in French; Captain H. P. Dunlap, commandant and formerly instructor in English, who this year has given up his English courses to go into business; Mr. C. M. S. Ilwaine, athletic director and instructor in mathematics; and Mr. W. W. Purdy, head of the science department and musical director.

Coach K. H. Howard came to McCallie in the fall of 1930 and completes his eighth year as head coach of football, basketball and baseball this year. He is head of the history department and instructor in commercial law and economics. In 1932, Mr. S. J. McCallie, Jr., joined the faculty as instructor in mathematics and history, and the following year two other alumni came back as faculty members. Mr. R. L. McCallie is instructor in English and soccer and track coach, and Mr. M. J. Flowers, Jr., is instructor in Spanish and manual arts, assistant football coach and boxing and tennis coach.

Three new members joined the faculty in 1936: Mr. W. L. Pressly, head of the English department; Mr. W. C. Sledd, head of the Latin department; and Mr. F. B. Benton, instructor in mathematics, assistant football coach and swimming coach.

Last fall three more new instructors and one former member of the faculty were added: Mr. J. R. Earnest, bandmaster and instructor in English; Mr. C. A. Davis, instructor in English and assistant coach; and Mr. N. M. Watson, secretary and instructor in the commercial department and

in public speaking, were the new teachers added, and Mr. W. A. Venable, who was first a member of the McCallie faculty in 1920, returned as instructor in Latin and mathematics.

Mrs. S. J. McCallie, librarian, completes her ninth year in charge of the library, and Mrs. J. M. McGaughy completes her sixth year as instructor in public speaking.

Mr. Charles Hamilton has been business manager for seventeen years, the oldest member of the staff in point of service. Mrs. B. C. Roper, bursar, and Miss Zella Woods, recorder, have served in their respective capacities since 1923; Miss Mae Jones, resident nurse since 1927; Mrs. Lillian Allison, dietitian since 1928, assisted this year by her sister, Mrs. Frank Williams, and Mrs. W. S. McClain, school hostess since 1932, have proven themselves indispensable to the comfort and happiness of the boys.

The last three additions to the staff are Mr. Charles McDowell, who has been in charge of night study halls, trainer and assistant coach for the past three years; Miss Cora Perry, assistant librarian for two years; and Miss Mary Belle Goodwin, assistant to the bursar since last fall.

THE FACULTY

STUDENT GOVERNMENT

The governing body of the McCallie students is the Senate. This organization is under the supervision of Dr. S. J. McCallie and consists of five officers chosen by student vote; two from the Senior Class and one from each of the remaining high school grades. This group is under oath to maintain our prize heritage—the Honor System—to the best of their ability.

Aside from the Senate, all violations of dormitory regulations are acted upon by the Student Council, which also has charge of the rules set up for the new boys, or "rats." The student prefects maintain order in the dormitories, and the remaining organization, the Y. M. C. A., holds weekly meetings and is in charge of the religious activities of the boarding department.

These activities afford opportunity for real leadership and are a vital part of the school curriculum.

STUDENT SENATE

STANDING: Ed Anderson, Junior Senator; Robert Street, Sophomore Senator; Lonnie Lumsden, Freshman Senator.
SEATED: Fay Prigmore, Senior Senator; Dr. S. J. McCallie; Arthur Sibold, Senator-at-Large.

STUDENT COUNCIL

Kenner Amos, B. H. Harvey, Lanham Frazier, Percy Wood, James Hammond, Phinzy Percy, Frank Bird, Ernest Briscoe, Dr. J. P. McCallie.

Y. M. C. A. CABINET

Dr. J. P. McCallie, Charles Allcott, Mr. W. W. Purdy, Powell Snipes, Lanham Frazier.

PREFECTS

STANDING: Frank Bird, Russell Wood, James Hammond, Sidney Daffin, William Simms. SITTING: Frank Hagaman, Percy Wood, Phinzy Percy, Earl DeMoe, Goree Nelson, Lanham Frazier.

HARRY JONES

WALTER LOGAN

The PENNANT staff has labored hard and long in an endeavor to record the activities of the school and its students during the year 1937-38. In this book we picture and relate events common to us all in the hope that we may later receive some enjoyment from the memories that they will stimulate. Our aim was to publish a volume of which the students would be proud, and if this aim is even closely approached, the staff will be fully gratified for their effort.

Under the guidance of Mr. R. L. McCallie and Mr. William Pressly, the *Tornado* this year has grown from a semi-annual publication to a compact edition that appears every six weeks. An excellent staff has proved most efficient and has received experience and knowledge that will prove valuable to any of its members who wish to follow journalism. The *Tornado* has become an essential part of the school activity, and each edition is anxiously awaited by everyone.

ARTHUR PLEASANT SIBOLD

CHATTANOOGA, TENN.

Arthur entered McCallie in '32 and since then has made an enviable record as a scholar, athlete, soldier, and leader. He has risen from the rank of private to the rank of captain of A Company. His junior year he played some varsity football, but this year he played regular at center. His playing was so good that he was picked as all-city center. He was liked so well by the team that they elected him captain of next year's squad. He played guard on the basketball team both his junior and senior years. His scholastic rating has always been well up in the upper tenth of his class. He is so well liked by the student body that he was elected president of the Senate and Senior Class. He is also Associate Editor of the *PENNANT* and a reporter on the *Tornado*. Another of his many outside activities is being a member of the Hop Committee. When Arthur leaves this spring to go to V. P. I., he will be missed by everyone in the student body; nevertheless we all wish him continued success in all his undertakings in the future.

EARL TURNER DEMOE, JR.

EVANSTON, ILL.

Evanston, Illinois, gave us, in the fall of '35, Earl DeMoe, better known as "Moe." From the first he gave his spare time to the Smoking Club. Though he has never been seen burning the midnight oil, "Moe" usually managed to stay "privileged," and was appointed prefect his second year. He rose to greater heights his senior year, to be chosen vice-president of the Senior Class. His military training wasn't neglected, since his last year found him a sergeant. Earl went out for football, but showed his talent as a track man when he ran the "880," as co-captain of the track team. Though of a quiet nature, Earl is always ready to argue on a worthwhile subject, and his eloquence in discourse is amazing. His ambition is to be a lawyer, and those of us who have received his verbal lashings know that his trade is well chosen.

FAY PRIGMORE

CHATTANOOGA, TENN.

Fay entered McCallie way back in '32. He is one of the few boys who have spent six years at McCallie. Since that time "Hank" has been active in many phases of the school life. His personality has made him one of the most popular boys in school. He has served several terms on the student senate and this year was senior senator. Another office he holds is secretary and treasurer of the senior class. Aside from these offices he is on both the *PENNANT* and *Tornado* staffs, being an editor on each. Fay has been an excellent cadet and was chosen as the best drilled cadet in "C" Company in '37. This year he was Captain of "E" Company. Active also in athletics, he has been a member of various football, basketball, and baseball teams. His scholarship has also been exceptionally high, for he has maintained an average high enough to place him in the upper tenth of his class. Fay's accommodating manner will be missed, but we wish him every success in any vocation he chooses to follow.

THE SENIOR CLASS OF 1938

ARTHUR SIBOLD	President
EARL DEMOE	Vice-President
FAY PRIGMORE	Secretary

SENIOR CLASS

GEORGE BYRON ALDER, JR.

CHATTANOOGA, TENN.

George entered McCallie in '34, and since then he has been active in various phases of the school life. He has been a consistent worker in scholarship as well as in other lines of activity in the school. This year he was a guard on the football team. By his hard work in military he achieved the rank of lieutenant in Company "A" this year. George's friendly manner and high standard of honor have won for him many friends among both the students and faculty members, and all join in wishing him the best of luck at Vanderbilt next year.

CHARLES ALLCOTT

TALLADEGA, ALA.

"Charlie" came to McCallie two years ago as a complete stranger. In his two years here he has become one of the most popular boys in school. Although he wasn't on all the major sport teams both years, he made his letter in football this year and in track both years. However, his best work came in soccer. His fine spirit both on and off the athletic field has inspired McCallie teams on to victory many times. In anything he was called on to do he was always willing and glad to do his best. Last year he was on the Student Council and Senate, and is on the Y. M. C. A. Cabinet this year. Although not the most brilliant student, he is the kind of boy McCallie is proud to send to college. We are sure that he will make a good record at Davidson.

ROBERT KENNER AMOS

HIGH POINT, N. C.

"Moose" enrolled in McCallie in '33. When Kenner came from High Point he was young, but now he has grown up to equal the high standard of traditions set by the McCallie students. He was a prefect in '34-'35-'36; a corporal in the band in '35, and in '36 he rose to the rank of sergeant in Company "A." In his last year he has been promoted to the rank of a lieutenant in Company "B." He has been very active in all lines of athletics, being manager of the varsity football team in '35-'36-'37, and making his letter in track in '37 and '38. He was a mainspring on Mr. Bob McCallie's soccer team for two years. We feel certain that "Moose" will live up to the record he has made at McCallie when he enters the University of North Carolina next year. We wish him much success and hope the best will always be his.

LARRY BENTON BARNES

CHATTANOOGA, TENN.

"Butch" entered McCallie in '34 as just another Freshman but since then he has distinguished himself in many ways. Larry made the varsity baseball team his last three years at McCallie and was elected co-captain of this year's squad. Not only was he successful in this sport, but he also played on Mr. Sager's football and basketball teams. His outstanding work in military won for him a place as first lieutenant in Company "D" this past year. Aside from these things his standing in scholarship is unusually high. The sincere friendship of the students and the faculty goes with Larry as he leaves McCallie, and we are sure that any college will welcome a student of his caliber.

T

THE SENIOR CLASS

ROBERT ALEXANDER BAYS

KINGSPORT, TENN.

Bob hails from Kingsport, Tenn. He has been an outstanding member of our band, orchestra, and glee club, and was also on the third basketball team. He has won many friends with his pleasant smile and has interested many boys with his knowledge of Mexico and its language. His hobby is writing, and he has "pen pals" in many foreign countries. We will regret his loss very much and wish him the best of luck in the future.

B. W. BEAUMONT

MEMPHIS, TENN.

"B. W." came to us from the great metropolis of Memphis in the early Fall of '35. He has a fine personality which soon made him a host of friends. In "B's" first year he made his letter on Captain Dunlap's football squad. Later he became a member of Mr. Pressly's swimming group, after which he became a manager of the track team. The next year he was chosen as prefect of his dormitory. Because of his military ability he was promoted to Sergeant Major of the school battalion. During the past season he was a star on Mr. Con Davis' football team. He has served efficiently as a member of the '37-'38 *Tornado* staff. Next year he leaves us to go to Southwestern, and we wish him all the luck in the world as he continues his work there.

JOHN MONTGOMERY BELK

CHARLOTTE, N. C.

John is another of our many Charlotte representatives. "Young Lochinvar" has quite a reputation as a "ladies' man," but he has settled down during his stay at McCallie. He is a very good basketball player, being promoted to the varsity from the "B" team at the middle of the season. Since being a member of the varsity squad he has seen service in several games and made an excellent showing. John will probably come back next year for a post-graduate course, and we know he will be an important member of the team. He is a "swell" guy whom McCallie is proud to claim as a cadet and student. We are sure that he will be a great success in any later activities.

WILLIAM CURTIS BENOIT

CHARLOTTE, N. C.

Entering this school in the fall of '35 came "Billy" Benoit from the outstanding city of Charlotte, N. C. "Billy" did quite well for himself in both football and basketball, making quite a name for himself especially in basketball his last two years, of which he was varsity manager. He was rewarded by his hard work in military, receiving the rank of corporal his second year and sergeant his third year. Many thought he deserved more than he received in this, his final year. Billy was also an active member of the "Smoking Club" during his entire stay at McCallie. He will be missed very much this coming fall on this campus, and we all know that he will make a large, if not larger, success of college and later life as he has made here.

JAMES LEAR BIBER

SPARTANBURG, S. C.

James Biber, affectionately called "Gootch" by his friends, has been an outstanding personality in his two years at McCallie. He came here from Spartanburg, South Carolina, and was immediately recognized as a potential athlete. This he proved by making the varsity basketball team both years, being high scorer in his second year. He has also taken part in other activities, including baseball and track. He is a good, hard working cadet and has spent both years in Co. A. James has a pleasing personality which has brought him many friends. On the athletic field he has shown that he has the stuff that makes a gentleman: fairness, courage, and true sportsmanship. He plans to return next year, and if so, he will be a distinct asset to McCallie in many ways.

COLEMAN CAVAND BOYD

CHATTANOOGA, TENN.

Coleman came to McCallie in '34. He became known as a regular fellow and made many close friends in the student body. While at McCallie he has taken part in many school activities. He was a member of Co. "B" his four years here, and he became one of the Lieutenants his last year. He has taken an active part in "Pop" Sager's third football team, and he has added greatly to several "Glee Clubs." He is one of the few boys who have been both a day student and a boarding student. We feel sure he will be a success in whatever he chooses to do.

JOHN WILLIAM BRADLEY

CHATTANOOGA, TENN.

John entered McCallie's halls in the fall of '33. He soon became one of the most liked boys in his class, both by students and teachers. He has shown himself to be an excellent student, and an outstanding cadet of the battalion, rising from the rank of private to corporal, to sergeant, and finally to the rank of Senior Lieutenant in Company A. John has participated in numerous school activities, being in the novelty drill several of McCallie's winning teams and also a tennis enthusiast. "Johnnie's" beaming smile and cheerie voice will be greatly missed around the campus.

JOHN RATHMELL BROOKS

CHATTANOOGA, TENN.

Rathmell has been with us for a long time—for six full years. During this time it is hard to find a school activity in which he has not participated. For three years he has been head cheerleader, and he has filled this position very well. For three years he was a member of the battalion. During those years he was in the best drilled company one year and a member of the picked platoon one year. Due to his love for music he joined the band and the "Blue Melodeers." For two years he has been the Drum Major and has risen to the rank of First Lieutenant, the second highest position in the band. Rathmell is interested in the field of aviation and also in military life, and he hopes to rise some day to great heights in one or both of these fields. We all wish him much success as he leaves us.

THE SENIOR CLASS

EDWIN HARDY BUFORD, JR.

ANNISTON, ALA.

"Ed" left Anniston, Alabama, to enroll at McCallie as a junior in '36. Being a lover of athletics, he made a place for himself on the track and soccer squads in '36 and was a member of the "B" basketball squad. He has drilled with Company "A" both of his years at McCallie and shown himself to be a splendid soldier. Around school "Ed" is a very affable sort and tries hard in his academic activities. We understand that Vanderbilt is to fall heir to "Ed" next year, and we feel confident that he will uphold McCallie's fine college record there.

JAMES THOMAS CHASTAIN

FAIRMOUNT, GA.

"Jim" comes to us from Fairmount, Georgia, and does not mind upholding his fair state. After three years at McCallie, "Jim" has made many friends who will long remember him. He lends his athletic ability to such sports as baseball, football, and basketball. Last year he proved to be a valuable relief pitcher on Coach Howard's varsity baseball team, and this year was the regular starting hurler. After being in Company "C" for two years we find him a corporal in Company "B" in his last year at McCallie. We wish the "Postmaster" the best of everything in his years after graduation from McCallie.

SIDNEY DAFFIN

RIPLEY, MISS.

"Dolly" came to us in the fall of '36, hailing from the thriving metropolis of Ripley, Mississippi. By his hard work in the band he was made a corporal his second year. He made a name for himself in athletics by his work on the third football team and even more by his work on the varsity baseball team. His scholarship has been excellent, and we know his good record will continue at Davidson. With his winning personality "Dolly" has made many friends, and as he leaves us he carries with him the friendship of his fellow students.

CARL BENTON DAVIS

CHATTANOOGA, TENN.

Carl entered McCallie in the Fall of '34 as a day student. Later that year his family moved out of town, and he became a dormitory student. The next year he was elected to the office of Student Councilman from Douglas Hall. He would probably have continued in this office had his parents not moved back to Chattanooga. During his stay at McCallie he has been active in athletics. He has been on the fifth, fourth, and third football teams; fourth and third basketball teams; and third and varsity baseball. In military Carl has risen from a private to the rank of lieutenant. Not neglecting his main purpose at McCallie, he has continually made good grades. The college Carl chooses to enter will truly be honored by his presence. They will be favored by a good athlete, scholar, and a "swell" fellow.

CLAUDIUS SIDNEY DAWSON

CRAMERTON, N. C.

"Claud" hails from Cramerton, N. C., and only left there last year to enter McCallie as a senior. He was a private in Company "C," and he helped it to be one of the best companies in the battalion. He was a valuable man on Mr. McCallie's soccer team and he was out for tennis during the first months of school. While at McCallie Claud was one of the best liked new boys. His pleasing smile won him many true friends, and it also had quite a bit of effect on the weaker sex. Scholastically, he has succeeded because of his untiring efforts and diligent application. Truly we will miss Claud, an all-around good fellow, next year.

TRUMAN DENT DONOHO

ANNISTON, ALA.

In the fall of '35 McCallie was fortunate to have Truman among its new men. Since then "Donny" has lived up to the high standards set by Anniston boys in all phases of school life. In scholarship Truman has conquered, and in athletics he has always been a hard worker, being a member of the third football team for two years, a member of the soccer team in '37, and a prominent swimmer in '37 and '38. By virtue of his excellence in military Truman has received the rank of Sergeant in the Bugle Corps. His place will be very hard to fill, and W. & L. will profit by his enrollment.

MURDOCK McRAE DUNN

MAXTON, N. C.

"Muck" came to us from Maxton, N. C., and began making a name for the Dunn family by his playing on the third team football. This year he earned his letter in varsity football. He was also one of the best men on Mr. McCallie's soccer team, and an indispensable letter man on the baseball team. The second year that Muck was at McCallie he was elected to the Student Council, and this year, because of his willingness to work and to help the boys, he was elected President of the Student Council. Muck will be missed by every one when he leaves us to go to the University of North Carolina.

PAUL HAYWOOD EFIRD

CHARLOTTE, N. C.

"Huey" blessed McCallie with his presence at the beginning of the year of '35, and bent himself to the task of emulating his namesake very successfully. Paul was really a blessing to the boys as one of the owners of the A. B. C. Club. "Tub's" military activity was sufficient to gain him the rank of sergeant of the color guard. McCallie was unfortunate to lose Paul at the end of the first semester because of an operation. Paul's greatest assets that have made him so popular are his humor and a ready smile at all times. We wish him luck and are sure that his constantly displayed charm will always make a host of admirers, wherever he may choose to go.

THE SENIOR CLASS

BEVERLY HALE HARVEY

OKLAHOMA CITY, OKLA.

"B. H." came to our school from Knoxville, Tennessee, in '34 but has since moved to Oklahoma City, a town which he has put on the map by his interest and enthusiasm in it. B. H. has been on the Student Senate and the Student Council both, during his past years at McCallie. He has proved himself to be a very good athlete, having played on the fifth, fourth, and third football teams and was captain of the third team in '36. He has played on the junior baseball team, and in '37 he played third base on the varsity baseball team, and was elected co-captain for the season of '38. He was a member of the soccer squad in '37 and '38. In military B. H. was outstanding; he held the rank of corporal, sergeant, and later quartermaster lieutenant. In scholarship B. H. is right up at the tip. The University of Oklahoma will certainly be getting a good man next fall.

SAMUEL ERVIN HALL

RICHMOND, VA.

Ervin Hall, better known to us as "Teenie," came to McCallie School from the fair metropolis of Richmond, Va., in the fall of '36. Should we call him "Teenie"? He's only six feet tall. In his two years at McCallie he has proven himself to be a good scholar, being in "B" class the majority of the time. He went out for football but his major sport was track and soccer, in which two sports he made his letter. He was one of the best drilled privates in Company A. We'll all miss him when he goes to the University in the Tar Heel State where he'll take up the study of medicine. Good luck to you, "Teenie."

DORMAN THOMPSON HALL

RICHMOND, VA.

"D" came to us in the fall of '36 from the fair city of Richmond, Va. This tall, blond, curly-headed boy with a winning personality has made a place for himself in the hearts of those with whom he came in contact. "D," in spite of not having the makings of a valedictorian, completed his two years' work with a good average. He was active in athletics, having participated in football and tennis, and having spent some time in Mr. Pressly's group. During his two years here he drilled in Company "A" as a private where, because of his height, he graced the first squad. "D" plans to enroll at Hampden-Sydney next fall where we feel certain he will continue his good work. "Hasta la vista," "D"; we'll all miss you.

JOHN GASTON GRIMES

LEXINGTON, N. C.

"Zero," the pride and joy of Lexington, came to us in the fall of '36. In his two years' stay at McCallie he has made a name for himself that will never be forgotten. "Zero" is a hard-working soldier and athlete, as well as a good student. His work on the football squads of '36 and '37 earned him a regular tackle berth in '37, and there isn't a better tackle in the city than "Zeke." He also has played soccer both years and is counted on to fill a regular position on the soccer team this year. "Zeke" has had two promotions in the battalion this year, and he well deserves them. He has put a fitting climax to his stay here by being elected secretary of the Y. M. C. A. and a member of the Student Council for the last semester. Davidson is very lucky to get such a boy as "Zero," and his round face and congenial laugh will long be missed around McCallie.

WILLIAM WINFIELD GRIER

CHARLOTTE, N. C.

"Billy" is another of those boys who hails from Charlotte, North Carolina. This is his second year at McCallie, and he has shown his worthiness in both of those years. The first year "Billy" was on the boxing team and won the championship in his class. He was also on the third football team and contributed to that organization no end. Besides these he went out for the swimming team and won his letter. "Billy's" second year up here was bad luck, for he broke his ankle and was out of football for the rest of the season. While practicing he looked like a very promising back. However, he entered the Golden Gloves in '38, but was defeated by the captain of Central's team after a hard fight. We know that whatever college he goes to will profit by his attendance.

ERNEST GRAHAM, JR.

COLUMBIA, S. C.

"Earnie" Graham came to McCallie four years ago from the proud city of Columbia, South Carolina. In his four years here he has proved to be a valuable asset to the school. His first year he was a member of the fourth football team, and he slowly but surely worked his way up to the varsity squad this year, to which he proved to be a valuable member. In '35 he was a member of the swimming squad and was a very good swimmer. In '37 he was a member of the soccer squad and did much in building up that sport here at McCallie. "Earnie" was a sergeant in the Bugle Corps, too. I know we will all miss him after he leaves us, and we envy the college which he attends, for we know it will be graced by his attendance.

ROBERT BARRETT GARRARD

GREENWOOD, MISS.

Bob came to us from Greenwood, Miss., via Webb School, where he has gone for the past four years. He came several weeks late, but he made up his work and is going right along with his classes now. He is an active member in the school activities and is a member of the Smoking Club. Bob plans to follow the cotton business, and he will go to the University of Virginia to take a course in Business Administration. We honestly feel that he will carry on the name that his father has made in cotton business in a way to be proud of. McCallie will lose a good student and a well-liked fellow when Bob leaves to make his place in the college. More luck to you, Bob!

SILAS LANHAM FRAZIER

LOUISVILLE, KY.

Lanham Frazier came to us from Louisville, Ky. He is eighteen years old and rather a strapping youth. Lanny played halfback on the varsity football team and was captain of varsity basketball this past year. He played No. 1 on the tennis team and is considered by all an all-around athlete. He has served on the Student Council two years and was president the last semester. He was also vice-president of the Y. M. C. A. the first semester of the year. He was a prefect in Douglas Hall, and was a corporal in Company A. He leaves us this year and after his spending two years at McCallie we will certainly miss him. We wish him the best of luck in whatever he undertakes in the future.

THE SENIOR CLASS

JAMES HUMPHREY HICKMAN

KNOXVILLE, TENN.

In the fall of '36 Jimmie came to us from Knoxville, Tennessee. Jimmie's excellent record shows that he has been a conscientious student, but his scholarly activities have not kept him from taking an interest in all the athletics. "Herman" has been an invaluable member of the "Blue Melodeers," the school orchestra, during his two years here. Young James drilled with the battalion his first year, but the band soon secured his services. His friendly disposition and ready humor have made him one of the most popular boys in school. He plans to go to the University of Tennessee next year, and we all know that those there will wish they had more like him. Good luck, Jimmie.

JOE W. HOOPER

WILMINGTON, N. C.

Joe entered McCallie from Wilmington, N. C., and no sooner had he walked through the doors in Middle Hall than his bright smile lit up the faces of all the boys who were coming back to the old institution. "Squeeze" has won the friendship and admiration of all with whom he is acquainted, and is one of the most popular boys in his dormitory. He plans to enter Duke next year and study medicine. We certainly hope and trust that Joe will have the greatest success in his later work, and with him go the sincere wishes of his classmates.

HENRY CHESTNUTT HOLMES

TAMPA, FLA.

Henry Holmes came to McCallie from Tampa, Fla., and since then he has made an enviable record. He has served on the Student Council and was elected captain of the soccer team. His first year he played tackle on the third team, and this year he played regular end on the varsity. For two years he has been one of the main-stays on the soccer team. In military he has risen from a private to the rank of corporal in Company A. Although he is not one of the most brilliant students, he is a hard worker, and we know L. S. U. will be honored to have him in their midst.

THOMAS PRIESTLY JERNIGAN, III

PARIS, TENN.

Tom came to us from Paris, Tennessee, and entered McCallie this year as a senior. He was a member of the third basketball team and a private in Company C. Tom is certainly one of the best students in school this year. It is an accepted fact that his name will always appear on the honor roll. Next year his plans are to enter Vanderbilt and study medicine; and we are positive that he will make a fine record there.

ROBERT ELMORE JOHNSON

CHATTANOOGA, TENN.

Bob presented his brilliant personage at our proud institution in the year of 1935. Like many of our worthy representatives from the metropolis of Brainerd, Bob made a very startling record. In his three-year stay

he was one of the few boys to attain a "100 per cent rating," not alone that, but he has also bloomed into being a fine Lieutenant in Company A. Athletics were also a part of Robert's school life and he won his letter as a tackle on the third team. This spring McCallie loses one of its best debaters when this promising lad departs, but nevertheless, wherever he goes to school next year, we know it will be more than glad to have Bob, a scholar and a gentleman.

JAMES EDWARD JONES, JR.

CHATTANOOGA, TENN.

For four years now "Wimpy" has been a member of the McCallie student body, returning this year for post-graduate work. During this time he has been outstanding in many activities. In piloting the undefeated Tornado of last year he turned in such a splendid job that he was elected captain for this year's team. Aside from football he has made his athletic abilities known in track, soccer, boxing, and is expecting to play baseball this spring. For three years he has lent his vocal talents to the Glee Club. Last year he was quartermaster lieutenant and is this year an honorary captain in the military organization. The Citizenship medal was given to him last year for his all-around accomplishments. His friendly smile and handshake will long be remembered after he has made his departure.

HARRY EMIL JONES

CHATTANOOGA, TENN.

Harry entered McCallie along about the time that the depression was leaving. He soon began to show his great ability as a leader both in a military way and in academic work. He has made an enviable record in his scholastic standing that is seldom equaled. He is one of the school's best marksmen, and an excellent golfer. McCallie has profited by the six years that Harry has spent here. He has been a true friend to all, and we know that he will be a great success in later life. His school activities have ranged over a wide field. In his junior year he was the junior editor of the *PENNANT*, and in his senior year he has been editor-in-chief. He is also a member of the *Tornado* staff. Harry is the type of fellow that will come back from college and be one of Chattanooga's leaders.

JOHN FRANK KELLY, JR.

CHATTANOOGA, TENN.

Frank entered McCallie in '32 as a seventh grader. Since then he has worked his way up through the ranks from a private to a lieutenant of Company "C." He served as a cadet in the best drilled company for two years. Frank has been in several McCallie School minstrels. He has been popular among the student body and well-liked by the faculty. Frank's ready smile and pleasing personality will be long remembered. He followed in his brother's footsteps, being a member of various athletic teams. This year he has worked hard in helping make up the *PENNANT*, and is one of the assistant editors. Frank has always been a willing worker and ready to lend a helping hand to others. We will all miss him when he leaves us in the spring.

THE SENIOR CLASS

HERBERT BENTON KINSOLVING, III
SHELBYVILLE, KY.

Entering McCallie from Shelbyville High School as a senior this year, Benton has won the admiration and friendship of all who know him. He is a quiet, studious boy with a subtle wit appreciated by his room-mates. He is a private in Company B, and one of the best, they say. In athletics Kinsolving plays on Mr. Davis' "B" team. His social life has been very active also this year. Truly he has been an all-around good fellow during his stay at McCallie, and we will all miss him when he enters West Point next year.

GEORGE RUSSELL KRAUSE
CHATTANOOGA, TENN.

Truly one of the outstanding boys in the senior class this year is Russell Krause. He is an active and important member of the music department, being in the school orchestra and a second lieutenant in the band. He is one of the main-stays of Mr. Davis' basketball team this year, and he is a participant in other school activities. One rarely sees Russell when there is not a broad smile on his face, and certainly one is lucky to be able to number him among his friends. He entered McCallie in 1936 at the second semester, coming to us from Columbia City, Indiana. Russell is preparing himself for a course in forestry at Yale by taking a post-graduate work at McCallie this year. We will all miss him next year, but wish him the greatest success at college.

LUKE LEA
BIRMINGHAM, ALA.

Luke, one of the most popular of the new boarding students, came to McCallie from Birmingham, Ala., and since his enrollment has proved by his willing smile and pleasing disposition that one is very fortunate to have him for a friend. He turned out to be a capable lineman on the football squad this year in spite of his size, and he was rewarded by making his varsity "M." He should turn out to be a real asset to the baseball team this spring. Wherever Luke goes next year, he will carry with him the best wishes of all who have known him during his senior year here.

WILLIAM FRANK LEE
CHARLOTTE, N. C.

"Bill" came to McCallie from Charlotte, N. C., a town from which a great many boys come to us. Bill did not take part in any major sports the first semester, but in the second semester he made a name for himself in basketball by starring in almost all the games in which he played. He has proven himself to be a fine soldier, and his fine character has won for him the respect and admiration of both the students and the faculty. Since Bill came to us as a senior he will leave at the end of this year to go to Duke University where we are sure he will make good. He has proven himself to be a fine soldier, and has won the approval of his officers. We wish him the best of luck in whatever he does in later life.

WILLIAM D. LITTLE
ADA, OKLA.

"Alfalfa" arrived at McCallie in the fall of '37 as a newcomer, being the only representative from Ada, in

the great oil state of Oklahoma. However, he soon established himself as a boy of no mean ability, being a promising member of the "B" team in basketball, and becoming one of the main-stays on our debating team. As he leaves, with him goes the friendship and admiration of all who have come in contact with him during his short but pleasant stay at McCallie. We will certainly miss Bill next year, but we wish him all the success in the world in his future.

AUGUSTINE BRABSON LITTLETON
CHATTANOOGA, TENN.

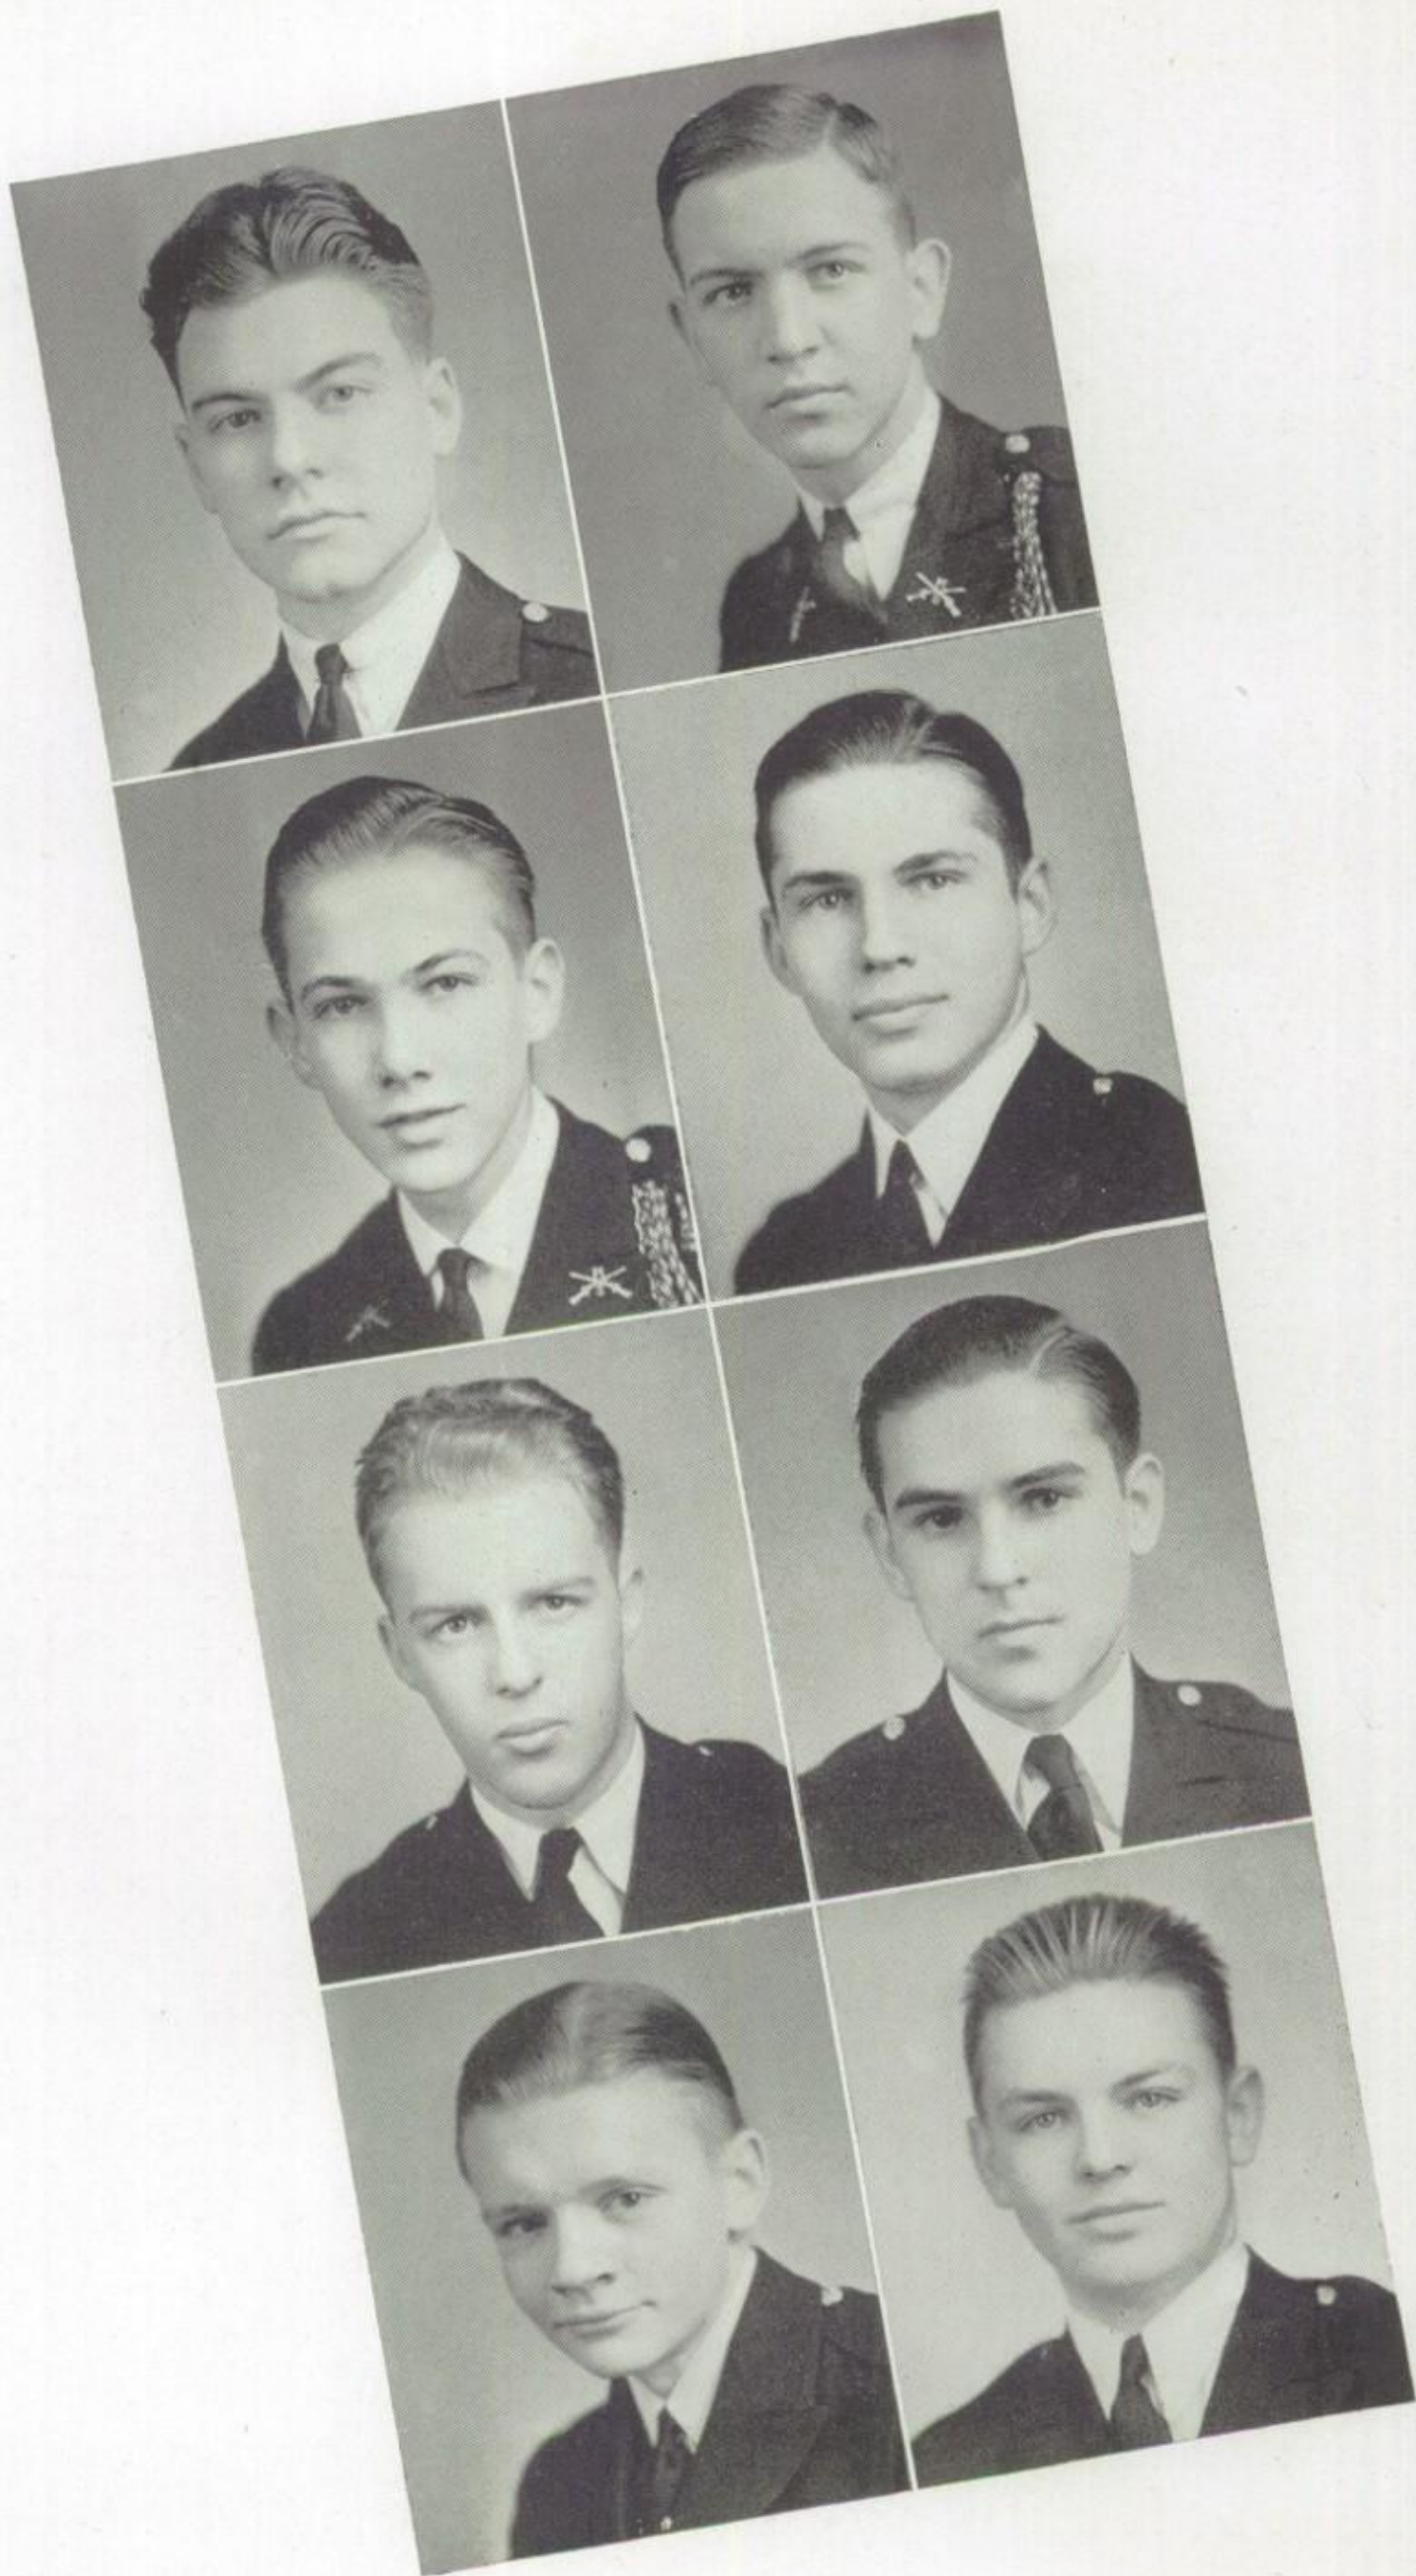

Gus first ascended the steps of Middle Hall way back in the fall of '32. Since that day he has been very active in the athletic, military, and social life of the school. Excelling in military from the start, he has taken part in all special drills, was in the best drilled company one year, and was the best drilled cadet in Company "C" in '35. As a climax to all this Gus was Major of the battalion during his last year here. In football he started from the fifth team and advanced to the varsity. He was the No. 1 goal kicker this year, and his fine work and spirit were rewarded with the "Big M" at the end of the season. Gus has also been on the varsity basketball and tennis teams. He leaves us to begin a study of law at U. T. next year. With his pleasing personality and ability to make friends we are sure Gus will be a success at his vocation.

NEILL JEROME LODER, JR.
CHATTANOOGA, TENN.

Neill, better known to his friends as "Bad Joe," entered McCallie in '32. He at once found his place in the life of the school, both in academic work and on the drill field. Neill has also taken an active part in different athletics. He made the third football team for three years, and Mr. Benton's "B" team in his last year. He was also a regular on Mr. Bob McCallie's soccer team. In military Neill rose from the rank of private to that of lieutenant. He came back for post-graduate work and was made an honorary Captain. As a social figure Neill is a distinct asset, being at all of the school parties and taking part in other activities. His winning personality will give him a good start in whatever college he chooses to enter. We certainly hope that good luck may go with him.

WALTER WELLS LOGAN
CHATTANOOGA, TENN.

"Walt" is one of the honored few who started in the seventh grade. He is the third Logan to have graduated from McCallie, being preceded by two brothers, all of whom have made outstanding records here. Walt is no exception. He's been in almost every activity of the school, and is one of the few who has learned to work hard and long over his studies. Through six years "Walt" has been outstanding in the military department and well deserves the high rank of captain of Company B that he has risen to in his senior year. He is the business manager of this annual and is, without a doubt, one of the most popular boys in school. In athletics he has been an active participant in boxing and is an end on the varsity football squad this year. It will be long before this school will have so able an officer on the drill field.

THE SENIOR CLASS

EUGENE SILVEY LOKEY

GADSDEN, ALA.

"Gene" made his appearance on the McCallie campus in the fall of '36. Since then he has won a place in the hearts of all his fellow students and the faculty. His dramatic ability earned for him the lead in "Seventeen," the school play in '37. Through his hard work and unusual ability in the band he was promoted to the rank of sergeant. When Gene leaves this year there will be a place on the campus that will be hard to fill. We will all miss him, and although he hasn't decided where he will attend school next fall, we are sure he will be successful, and we wish him all the luck in the world.

STANLEY KETRON McAFEE

CHARLOTTE, N. C.

"Dum-Dum" came to McCallie in '35 from Charlotte, North Carolina. He proved himself to be a hard worker with a friendly manner. In his first year at McCallie he joined the ranks of the school band. Due to his conscientious work he was promoted to the rank of corporal and then to that of captain for his final year. He was a prominent member of the "Blue Melodeers" and here acquired the name of "The Jugger-naut of Jive." "Dum-Dum" was also a member of the North Carolina Club. In athletics he has competed in football, boxing, and was a member of the hiking group. He will continue his work at Davidson College, and we are sure that he will excell in any future activities in which he might take part.

DAVID WALLACE McCHESNEY

RED JACKET, W. VA.

"Red" came to us in the fall of '37 from Red Jacket, West Virginia. He immediately showed himself to be outstanding in a musical way. He joined Mr. Purdy's orchestra, and took his place playing third trumpet. "Red" also was a valuable asset to the school band during the past year. Next year David should make great progress and be very successful in these two organizations. "Red" went out for soccer and was a hard-working member of the squad. After completing his studies here he plans to enter Clemson and carry on the good work there that he has been doing here. In departing we wish him all the success in the world.

JOSEPH RAY McCLESKEY

GADSDEN, ALA.

In the fall of '36 there appeared on our campus a fellow from Gadsden, Ala., who was destined to hold a high place in this school. Joe quickly distinguished himself as a hard-working, brilliant student. For his ability and perseverance in the band he was promoted to the rank of sergeant in his second year here. Joe has endeared himself to all who have known him. We all know that he will attain success in Auburn and later at M. I. T., where he plans to go after leaving McCallie. Joe will leave a vacancy here that will be hard to fill.

JAMES MILTON McGAUGHY

CHATTANOOGA, TENN.

One September morn in '33 a small boy walked through the doors of Middle Hall, known as James "Jimmy" McGaughy. His pleasing personality soon won him the admiration of his fellow students. He is very good in his studies, excelling in public speaking. James has distinguished himself in the field of military, working his way from private to a lieutenant in Company D, and was in the best drilled company two years. He has appeared in a novelty drill given several times. His dramatic work was brought out by being in a McCallie minstrel. "Jimmy's" characteristic smile will be missed around the campus.

HOWARD PHILLIP McJUNKIN

CHARLESTON, W. VA.

"Baldy," better known for his sweet-smelling tobacco, has made himself known to everybody in his short stay at McCallie. Few seniors make such an unusual record in one year as Howard has, being a plunging fullback on the football team, winning the light heavyweight boxing title in the Golden Gloves Tournament, and being one of the best drilled "rats" in Company A. Mac is invariably privileged, and ranks high in the senior class. Howard plans to enter M. I. T. after graduation, and we know he will carry on the McCallie tradition next year in college. We all wish him the greatest success after he leaves McCallie.

JOHN ROCKWELL McLELLAND

MOORESVILLE, N. C.

John came to McCallie last year from Mooresville, N. C. He has a remarkably high scholastic rating which he has maintained since his entrance. He is an ardent member of the Smoking Club and is there every day, rain or shine. He firmly states that all of his grades went up from three to five points when he joined the club. John is planning to be a doctor and will go to Davidson and then to Jefferson Medical School in Philadelphia, Pa. We feel sure that he will go through those long, hard years with courage and determination and will become one of the country's finest doctors. While at McCallie he has taken an active part in the band and other school activities. McCallie will miss John, but we can rest assured in the fact that he will continue to carry on all that McCallie stands for. We wish John all the luck in the world.

GEORGE LINWOOD MITCHELL

WILMINGTON, N. C.

George is a true and loyal friend at all times, and he is one of the nicest boys we know. Being a talented violin player, he has been a valuable and important member of the school orchestra. Sincere and friendly, he has made many friends among both students and faculty members. It is hard for a first-year man to come to McCallie as a senior and adjust himself to the splendid system, but George has succeeded in doing just that and more. We wish him all the success in the world in the future, but we know we will miss his friendly manner and skillful violin playing.

THE SENIOR CLASS

WILLIAM FREDERICK MOODY, JR.

CHARLOTTE, N. C.

Fred entered McCallie two years ago, coming from Charlotte, North Carolina, but we won't hold this against him, as it is a fine town. His nickname, "Mood," has stuck with him since his first appearance in the dormitories. During his stay here he has been manager of the third football team, manager of the varsity soccer team, and an active member of the Smoking Club. Although he has only been a private, he has been an asset to Companies "C" and "B." He was also a member of the Charlotte Club. "Mood" has made many friends while he was here, and we hope he will have a successful career in college. He has been a good student, and we hate to see him go at the end of this year.

NEWELL BARNARD MURPHY

TRION, GA.

Newell Barnard Murphy hails from Trion, Ga. He entered McCallie in September of 1936 as a junior. "Barnyard" is his most favorite name. In the two years' time that he has been at McCallie he is in the upper third of his class. "Barnyard" was promoted his second year to a corporal of Company "C." He was put in charge of the second squad, first platoon, of Company "C." His athletic ability has been shown in basketball by being on the "B" team his first year, and the varsity squad this year, and also the track team. Newell is a well-liked boy by his fellow students and teachers. At the present he is planning on coming back for a "P.G." But if he doesn't, he will enter Georgia Tech, where there are a lot of McCallie students. McCallie would wish very much for his enrollment next year, but if they cannot get him they know that Georgia Tech will have a swell fellow in Barnard.

ALVIN SAMMONS NUCKOLLS

SHAWNEE, OKLA.

Alvin, who hails from Shawnee, Oklahoma, entered here as a senior this year; and since being here he has proven himself a real asset to the school. He is quiet and conservative but is quite capable of taking care of himself. He is very interested in aviation, and he hopes some day to go into a branch of this field. We know that if Alvin will continue in his pursuit of this very worthwhile goal, he will surely succeed. We wish him all the luck that is within our power.

FRAZIER JAMES PAYTON

MIAMI BEACH, FLA.

In the fall of '37 Frazier came to us from Miami Beach, Fla. He has proved himself a good student, a fine friend, and is liked by everyone that knows him. At the beginning of the year he started out for varsity football, but due to an injury was not able to continue in this sport. However, he still helped out by acting as an assistant manager, showing his fine spirit and willingness to aid. He was a member of Mr. Bob McCallie's soccer team, and was appointed assistant editor on the *Tornado* staff due to his previous experience in newspaper work. We wish him luck in his college years and throughout life. The school will certainly lose a valuable boy upon his graduation.

SAMMY ROBERT PICKENS

SEYMOUR, TENN.

Sammy is a post-graduate student who entered McCallie for the first time in the fall of 1937. He came to us from Maryville, Tennessee, and his native humor immediately made itself known to the student body. He is a quiet, unassuming fellow, with an ability to make friends which has rarely been surpassed. He is a fine athlete and a good fellow. He would have been a regular on the football team if he had not broken his arm early in the season. As it was, he managed to play in the Baylor game. Sammy is interested in agriculture; he aspires to be a gentleman farmer. Sammy's deep voice will be greatly missed around McCallie halls next year.

COIT McLEAN ROBINSON, JR.

LOWELL, N. C.

"Cowboy" has shown us all a fine attitude toward work. Being a first-year boy, he had many difficulties to overcome, but his fine spirit brought him through. His spirit helped the third basketball team and football team many times. Although he couldn't take part in many things because he was a first-year boy, he did his best in everything he was called upon to do. His friendly smile and humor will be remembered by his friends for a long time. We owe to Lowell, N. C., a vote of thanks for sending us such a fine boy. Knowing Coit as we do, we are sure that he will make a success at whatever he does in later life.

JAMES GORDON SHANKEL

BRISTOL, VA.

"Army" came to us from Bristol, Va., the state that has produced so many other great men. He has great ability in gymnastics, and he was a valuable member of the swimming team. Though he is well known as a woman hater, his favorite pastime is dancing. Gordon has been one of the best-liked boys on the campus and has distinguished himself as a real soldier by his work in Company "A," where he was one of the best drilled "rats" in the battalion. We are expecting great things from Gordon in the future wherever he may go, and his absence will be deeply felt by his friends next year.

LESTER SHANNON, JR.

BIRMINGHAM, ALA.

"Les" Shannon enrolled at McCallie in '35. Since then he has made himself prominent in several branches of the school's activities. He has been on the football squad in '36 and '37. During the winters he has occupied himself with soccer for two years, '37 and '38. He was alternate-captain of the swimming team in '37 and a member of the team during '36, '37, '38. He contributed much to the winning of the mid-South meet here in Chattanooga in '36. "Les" has advanced quickly in military, being a sergeant in Company "A" during '36 and '37 and Captain of Company "C" during '37-'38. After he leaves McCallie he is going to Auburn or Vanderbilt. We wish him the success there that he has had here.

THE SENIOR CLASS

JOSEPH GLENN SIMPSON

WINSTON-SALEM, N. C.

"Seemp," an old tobacco man, comes to us from Winston-Salem, N. C. From the first time he entered McCallie—two years ago—he has made his place. His first year he played and made a letter on the fourth football team. The next year he graduated to the third team and made his letter there. Their successful season was due partly to his ability. Joe has been helpful in soccer, third baseball, and fourth basketball during his stay here. Joe will carry on his scholastic and athletic work at Duke University. Though small in size, he makes up this deficiency in personality.

MARION POWELL SNIPES

KNOXVILLE, TENN.

Powell Snipes entered McCallie three years ago. He has entered into almost every sport and activity of the school. He was the star end for the football teams, and is also on the track and soccer teams. Everyone likes Powell because of his willingness to help others and his ability as a friend and as a student. He is on the Y. M. C. A. Cabinet, and on the Student Council. When Powell leaves McCallie he will be missed by all, and his place among the students will be difficult to fill.

WILLIAM EDWARD SNODGRASS

CHATTANOOGA, TENN.

In the fall of '34, when "Snuffy" entered McCallie, he was just another new student, but in the four years that Ed has been here he won the admiration and friendship of all his classmates. His scholarship has been well above the average, and not only did he excel scholastically, but also was a fine soldier in the battalion. In selecting officers for this year, '37-'38, Ed was appointed first lieutenant in Company C. Although not an outstanding athlete, he faithfully executed any position that he was called upon to fill. Ed was quite popular with the ladies and took an active part in the social life of the school. The college that he selects will be indeed fortunate to get such a dependable student as Ed.

WILLIAM ARNOLD SPENCER

CAROLEEN, N. C.

"Bill" is a studious post-graduate who hails from Caroleen, N. C. His quiet humor has won many friends here, and he is exceptionally popular, considering that he has just been here one year. It is a hard thing for a post-graduate to fit into the military department as a buck private, but he has succeeded admirably in doing this all year. He has continually worked hard in scholarship, and has succeeded in adjusting himself well in all his classes. He leaves us this year to go to Georgia Tech, where we know he will make the fine record that he has made here.

JOHN ELSBERRY STEINER

MONTGOMERY, ALA.

John came to McCallie in '35 from Montgomery, Alabama, and immediately took active part in athletics and

social functions; he starred on the golf team for three years and was a member of the Hop Committee in '38. He played on the third football, basketball and "B" track teams, and in '38 made an enviable record on the varsity basketball team. He culminated an excellent military record in '38 when he was appointed Staff Sergeant. He was class editor of the *PENNANT* in '38. When John leaves for Washington and Lee at the end of this year we sincerely hope that he will find as many new friends there as he leaves behind him.

PAUL CAMPBELL THOMAS, JR.

BLUEFIELD, W. VA.

This truly outstanding character comes to us from Bluefield, West Virginia. His pleasant personality and friendliness are not his only assets for he is one of the most musically talented boys that has hit McCallie in a long time. There is hardly a musical instrument that he cannot play excellently in a "swinging" manner. Paul has also made a very efficient cheerleader, and made the varsity basketball squad until sinus intervened. If his plans are successful Washington and Lee University will be favored with his presence next year. Not only will there be a vacancy in the "Blue Melodeers" but in the entire school. To Paul we wish him "Bon Voyage."

LEROY CHARLES TRAIN, JR.

CHATTANOOGA, TENN.

LeRoy, better known at McCallie as "Choo," enrolled in the seventh grade and has shared with us six years of enjoyable companionship. He is an excellent marksman and golfer, and has been outstanding in his long and excellent record of military service, attaining the rank of captain in his senior year. LeRoy is one of a few boys who combines a firm foundation of common sense with a ready wit and an unusually fine sense of humor. This asset has won him innumerable friends in his varied school activities, and will prove a valuable aid in later accomplishments. We are sure that he will prosper in college and in any field that he might choose to favor with his numerous talents.

WILLIAM DAVID TUCKER

CHATTANOOGA, TENN.

David came to McCallie in 1932 and immediately distinguished himself as a splendid runner. He made his letter on the track team three different times, specializing in the longer distances. He trained faithfully over a period of years and in 1937 ran a close second in *The Chattanooga Times'* five-mile race. Although Dave was not a brilliant student, he easily passed all his subjects and was active in all phases of student activities. Other athletics in which he participated were football and basketball. He was outstanding in military and at the end of his junior year was promoted to the rank of lieutenant. He was one of the most dependable and accommodating boys in McCallie, and his cheery smile and laughing voice will be greatly missed.

THE SENIOR CLASS

EMERY GURNEE TUCKER

CHATTANOOGA, TENN.

Emery entered McCallie way back in '30 as one of the small boys in the seventh grade. Since then he has taken an active part in many school activities. Although he has not been outstanding in scholarship, he has made a name for himself as being about the friendliest boy in school. His services as cheerleader for two years have been very helpful to the school spirit and will be greatly missed. Emery is very active in baseball and has gone out for the varsity team for two years. Aside from this, he also is a tennis enthusiast. His good work in military caused him to be made a first lieutenant in the battalion his senior year. We wish him good luck as he goes to college and out into life.

PAUL J. VOLLMAR

CINCINNATI, OHIO

In the fall of '36 Paul came to McCallie from Cincinnati, Ohio. From the beginning he showed himself to be a good athlete and student. He played on Mr. Sager's third football teams and stays privileged most of the time. The next year Paul rose to the varsity football and basketball squads and shows promise of being a good man on the track team this year. Paul has shown his literary ability by his work on the *Tornado* staff as Athletic Editor. He has been a member of Company "B" both years that he attended McCallie. Paul's place in the activities of the school will be hard to fill as he goes on to Hampden-Sydney.

JOHN MASON WALLACE

CHARLOTTE, N. C.

Mason, another member of the Charlotte Club, came to us in the fall of '35. His willingness and determination to work have made him one of the most dependable members of our class. During his three years at McCallie he made many lasting friendships through his jovial personality. For two years he has been an aggressive player on the soccer squad. His ability on the drill field won for him the rank of sergeant in Company B. He is expecting to enter Davidson next year, and we feel sure that any school he enters will be fortunate to have such a regular fellow.

CHARLES HANSELL WATT, JR.

THOMASVILLE, GA.

Charlie came to McCallie from Thomasville in the fall of '36. Ever since he has been here he has taken a hard course, but by much hard work has made an excellent record. Charlie has also taken part in several different forms of athletics. His first year he was on the third basketball and football teams. This year he was a regular on the third football team and has a good start on the varsity soccer team. At the beginning of this year he was promoted to the rank of first class private after much faithful work. We feel sure that he will keep up this good record at Davidson next year.

TYLER STUART WILSON

CHATTANOOGA, TENN.

Tyler came to McCallie in 1934 as a freshman. He at once became very popular with his fellow classmen

because of his friendly personality. Quiet and unassuming, he has nevertheless been very active in student activities. This year he has been an excellent reporter on the *Tornado*, the school paper. He has also been a member of the advertising staff of the *PENNANT*. In addition to these activities he has been a hard-working cadet in the McCallie battalion and served as a sergeant in Company "B" this year. Since entering the school he has been a consistently hard worker in his scholastic work. McCallie will truly lose a fine gentleman when Tyler leaves the campus.

LEVI JOSEPH WITHERSPOON

MENA, ARK.

"Wither," a native of Mena, Arkansas, came to McCallie in September, 1936. L. J. is a staunch member of the Smoking Club. He plans to enter the University of Arkansas after graduation in preparation for railroad engineering, which he plans to make his vocation. Proof that his sterling qualities have not remained unnoticed during his stay at McCallie is voiced by the fact that the student body elected him one of the two Student-Counselmen-at-Large, selected from the dormitory students of the Senior Class. McCallie loses a good student and a splendid all-around boy when Joe graduates, but we can all rest assured that L. J. will uphold the honor and fine standing of McCallie men wherever he goes, and into whatever occupation he enters.

ROLAND FISHBOURNE WITSELL

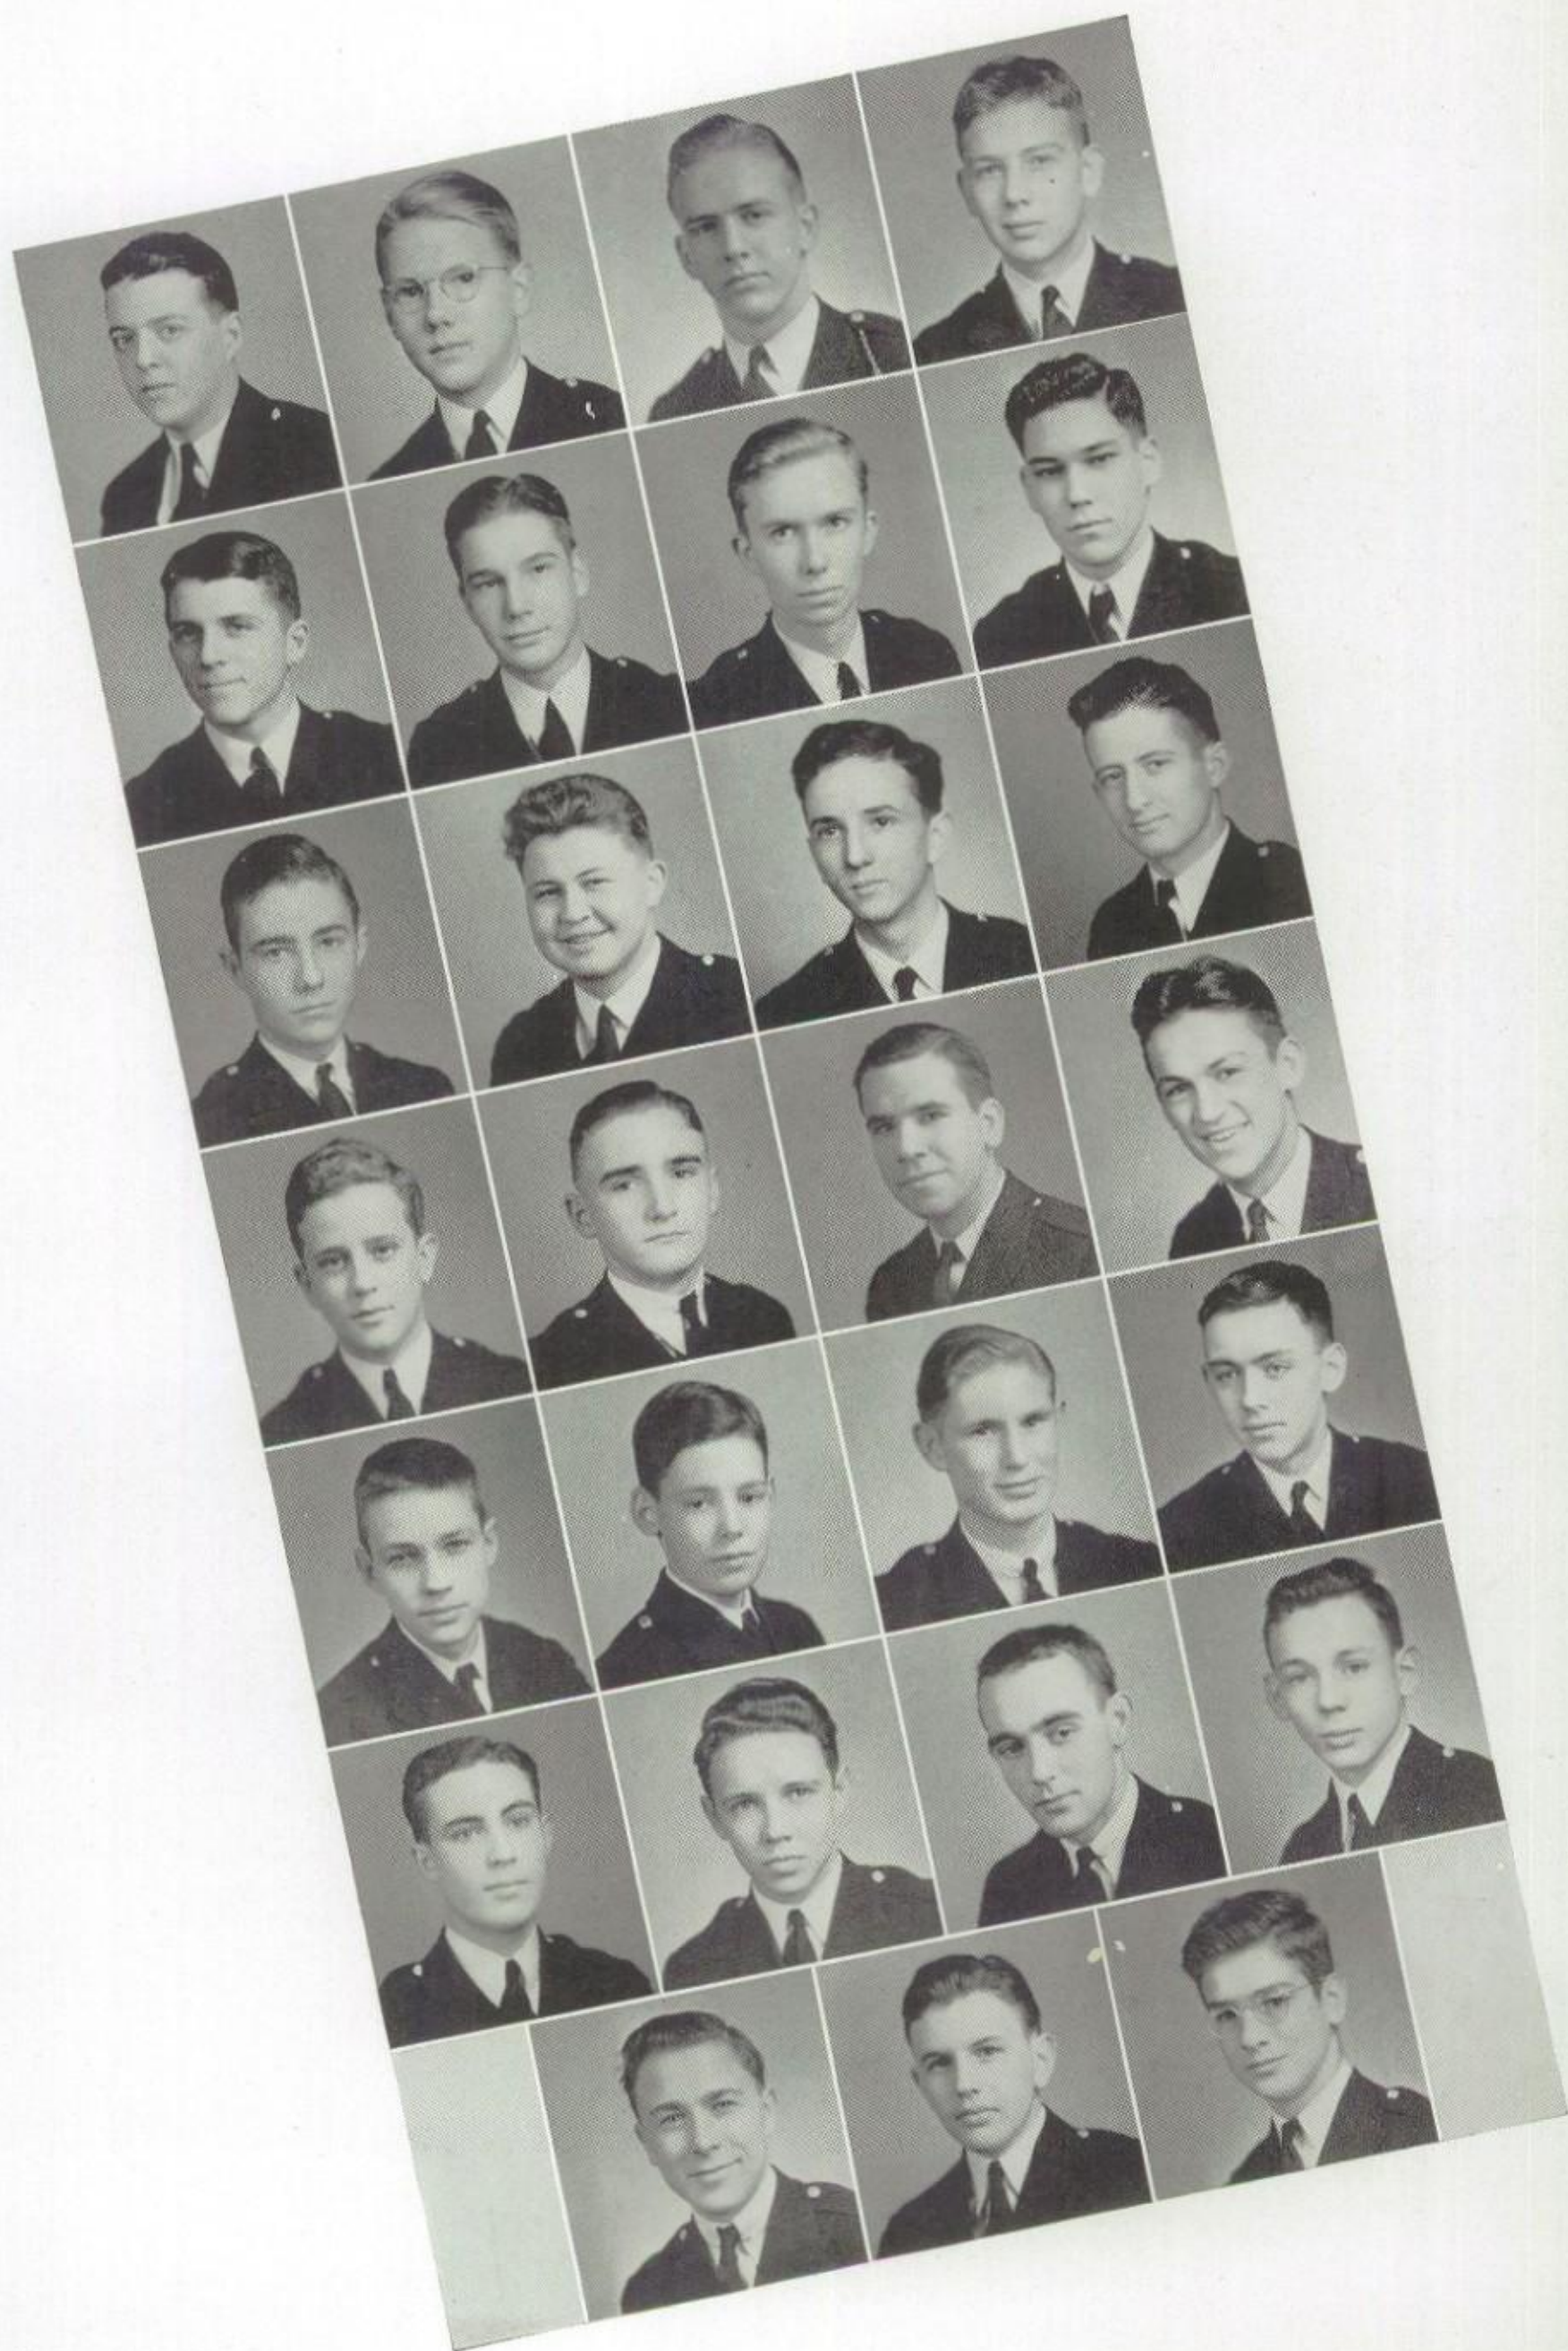

MEMPHIS, TENN.

Roland came to us from the good town of Memphis in the fall of '33. Immediately he made a hit with the boys and has lived up to their admiration ever since. Roland has made an enviable record at McCallie, having been elected to the Student Council three times. For three years he was a member of Mr. Flower's boxing squad and has been an outstanding member of the school orchestra since he first entered. In the fall of '35, because of his militaristic ability, Roland was promoted to the post of corporal; not stopping here, he rose to the office of second lieutenant and then to captain, the highest position in the school band. This year Roland gave his vocal talents to Mr. Purdy and his glee club, where he is a valuable second tenor. McCallie school will be sorry when Roland leaves, and the Eastman School of Music will receive a real artist next year.

PERCY RUSSELL WOOD

MEMPHIS, TENN.

"Puss" leaves McCallie this year as a post-graduate. In athletics "Puss" was very active in football, baseball, and boxing; especially the first and the latter. As a reward for his splendid work in military during his first two years at McCallie, '34 and '35, he was promoted to a platoon sergeant and during his last year of post-graduate work was promoted to the rank of honorary first lieutenant. "Puss" was an active member of the Smoking Club and did very much for its organization. In June "Puss" will leave McCallie to resume his studies at the University of Pennsylvania where he is to study medicine. We all regret the loss of "Puss," and we are sure that he will prove a great success in the medical profession.

HERBERT P. DUNLAP

Commandant. Captain, 323rd Inf. Res.

"Cap" has been at the head of the Military Department since 1925, and has led McCallie cadets to victory after victory in military competitions during his long period of command here. His personality and qualities of friendship have made it a pleasure and an honor to be under his leadership.

BRABSON LITTLETON

HARRY JONES

Cadet Major Brabson Littleton and Cadet Captain and Adjutant Harry Jones are in no small way responsible for the efficiency of the Battalion this year. Their untiring efforts on the drill field have resulted in an increased interest in military activities throughout the entire unit.

The **BATTALION OFFICERS**

The Battalion this year is the largest in the history of the school, there being five rifle companies and a band, totaling 318 cadets. This unit is the snappiest drilling contingent McCallie has put on the drill field in quite some time, and the exceptionally good feeling and attitude of the cadets is the result of fine leadership on the part of the cadet officers and the Commandant.

Although McCallie is not a strict military school, it nevertheless is able to compare most favorably with schools which have R. O. T. C. In the past six years the Battalion has lost only one out of numerous military competitions, having defeated Baylor, Central, City, and Sewanee, and having lost once to Central by one point.

During the school year several parades are held in downtown Chattanooga in which participate all the local military units. For the last few years McCallie has been awarded first place on these occasions, and the snappy appearance of the Battalion has been commended by the reviewing officers.

COMMISSIONED OFFICERS

Once a year, usually in the Spring, the inspecting colonel for the Fourth Corps Area gives our Battalion a rigorous examination. Every year the unit has received a rating of excellent, and the inspection this year was no exception.

During commencement, as a part of the Class Day exercises, a parade is held in honor of the sponsors. This is the biggest military function of the school year, and at

this time the awards and promotions for the next year are announced. For this parade, and during the last two months of school, white uniforms are worn. These add tremendously to the appearance of the Battalion, and present a spectacle of precision on the parade ground. McCallie is one of the few schools in the United States to adopt the blue uniform. This is one of the most attractive colors for a military unit that can be found.

SPORTS RESUME

1937 — 1938

While the year from March, 1937, to March, 1938, was a lean one in McCallie athletics as far as championships were concerned, the only team title falling to the Blue during the period being the city prep tennis title, McCallie's teams on all fronts gave a good account of themselves and upheld the best athletic traditions of the school.

In the spring the swimming team was nosed out for the Mid-South championship by Darlington, the track team finished third in the Mid-South meet, the baseball team finished in a last place tie with City in the city prep league, and the tennis team came through with a city title, finishing third in the Mid-South tourney at Vanderbilt.

In the fall only four lettermen reported for football and one of these was kept out with injuries a large part of the season, but despite their lack of experience the Tornado gave a good account of itself, winning four games, tying three and losing two.

In winter sports the soccer team fared best, winning two straight from Baylor and splitting even in four games with Asheville. The basketball team won twelve and lost sixteen, many of the losses coming as a result of inexperience by narrow margins. After taking the annual hardwood series from Baylor for four straight years, the Blue succumbed to their rivals in two out of three games.

In the Golden Gloves Tournament sponsored by the Chattanooga Free Press, Frank Bird won the bantam-

weight title and Howard McJunkin the light-heavy crown in the high school division.

As the PENNANT goes to press spring sports are getting under way and prospects are bright for another successful tennis season. In track McCallie does not have a well-rounded team, but Earl DeMoe has a great chance to crack school records in both the mile and half mile. DeMoe broke the school record in the annual cake race, covering the mile and a tenth course in 5 minutes, 33 seconds.

Co-Captains Larry Barnes and B. H. Harvey are hustling hard in baseball, although material does not seem plentiful, and Steiner and Bill Tucker are working on their golf game.

A short resume of the various sports during the past year follows:

TRACK

The 1937 track season found the Blue cindermen minus their three sprint stars of the previous year, greatly weakened, and they were only able to win one meet during the season, more than doubling the score on the Darlington Tigers.

The opening meet was lost to Johnson City by a 46-74 margin, after which Darlington was defeated. In a triangular meet the following week the Georgia Freshmen scored 89 points, Knoxville High 22, and McCallie 20.

Athletic Director

THE 1937 TRACK TEAM

BACK ROW: Balloff, Manager; Hall, E., Cooper, R., Roper, Moore, W., Lawman, Clements, Davis, H., Tucker, D., Mr. McCallie.
FRONT ROW: DeMoe, Allcott, Montgomery, Arnold, Bryan, M., Collins, Amos, K., Petree, Carlton.

In the annual Mid-South meet for the first time in years McCallie failed to win a single first place, placing third in the meet with a total of 23 points. Hunt Collins of McCallie set a record of 17 seconds flat in the preliminaries of the 120-yard high hurdles, but was beaten in the finals by White of T. M. I., who failed to equal the time. Morris Bryan also scored in the hurdles, Collins was second in the broad jump, Hale Davis was second in the high jump, Earl Petree placed in the 100, and Ed Lawman was third in the pole vault.

The final meet of the season was lost to Asheville by an 82-36 score. The Asheville team was well balanced and outclassed the Blue at every stage.

Letters were awarded to Morris Bryan, Hunt Collins, John Roper, Earl DeMoe, Earl Petree, Jack Fine, Hale Davis, Ed Jones, David Tucker, Fabius Clements, and Ed Lawman. Earl DeMoe and Powell Snipes were elected co-captains of the 1938 team. Other lettermen on the 1938 squad include Ed Jones, David Tucker, and Ed Lawman.

The 1938 schedule will probably include dual meets with Lee High, Castle Heights, G. M. A., Johnson City and Asheville, and in addition the Baylor relays, city prep meet, and Mid-South meet at Sewanee.

Although McCallie has won only two championships since the first T. I. A. A. meet in 1928 (the name of the organization was later changed to the Mid-South), and Baylor has won seven, of the eighteen record-holders in various events seven are from McCallie, five from Baylor, four from T. M. I., and one each from Darlington and Castle Heights.

The following are the Mid-South records held by McCallie athletes:

100-yard dash—Bob Andridge . . . 10 sec. (1936)
220-yard dash—Bob Andridge . . . 22.1 sec. (1936)
120-yard low hurdles—Billy Wilson . 14.6 sec. (1935)
(Tied for record with Evans of Castle Heights
and Jones of Darlington)
120-yard high hurdles—Hunt Collins . 17 sec. (1937)

and Golf Coach

A close finish in the hundred in the Johnson City meet. McCallie runners, from left to right, are Earl Petree, Ed Jones, and Ed Anderson.

Discus throw—Russell Tate . 117 ft. 11½ in. (1928)
 Broad jump—Collins Thurman . 21 ft. 3 in. (1928)
 Javelin throw—Bill McKay . 163 ft. 8 in. (1932)

Two of these records, the low hurdles and the discus throw, are also school records, but in many of the other events McCallie school records are better than those made by McCallie athletes in the Mid-South event.

BASEBALL

The 1937 McCallie baseball season was composed of eleven games. The team won four and lost seven. This is not such a good record in percentage points, but with the lack of experienced material it was a fairly good season.

Some of the boys were outstanding. Among the best players on the team were Dixon Brooke, pitcher, and Elmer Dyke, outfielder, who made the *Free Press* All-City Team. Gene Snyder, first baseman, made the All-City second team.

Due to the dual role played by Brooke, who was the number one man on the golf team as well as being the leading pitcher, several games which were lost by close score might have been won had he not been on a golf trip.

Two very heavy hitters graced the team—Dyke and Fine. These two led the home run standing, with Dyke having the largest total of extra bases. Elmer clouted the old apple for a total of four round trips.

Although City High School was the only team beaten in the City Prep League, victories over St. Andrews and Sewanee boosted our season's average. Much of the credit for these wins goes to the pitchers. Tom Chastain and Rex Rasnick were able assistants to Dixon Brooke on the mound.

Coach Howard and Mr. McDowell used only thirteen men in all the games, but these compiled a record not to be ashamed of. The lettermen are: Brooke, Chastain, Fine, Vinson, Snyder, Barnes, Gott, Harvey, Daffin, Dyke, Rasnick, and Dunn. Letters were also award-

THE 1937 GOLF TEAM

Steiner, Bashinsky, Lyles, Tucker, W., Brooke

ed to the managers, who worked long and faithfully, Billy Benoit and Paul Efird.

The season's record follows:

McCallie	4; Bradley	7
McCallie	2; Central	4
McCallie	2; S. M. A.	1
McCallie	6; City	4
McCallie	8; Darlington	9
McCallie	2; Bradley	21
McCallie	7; S. M. A.	1
McCallie	2; Central	11
McCallie	6; City	7
McCallie	8; St. Andrews	1
McCallie	1; Darlington	15

This season the same eleven-game schedule will be played, with the possible addition of a game with B. G. A. Co-Captains Larry Barnes and B. H. Harvey and three other lettermen, Sidney Daffin, Murdock Dunn, and Jim Tom Chastain form a nucleus for the team.

GOLF

The McCallie golf team, under the able leadership of Dixon Brooke, won five matches and lost two during the 1937 season. Morristown High and Ramsey Tech of Birmingham were each beaten twice and one victory was chalked up over G. M. A. The two defeats were at the hands of Baylor.

In tournaments the Blue team showed up well. At the University of Tennessee invitation meet McCallie

took all but one of the medals. Dixon Brooke placed second, George Lyles third, and John Steiner fourth. In the driving contest Steiner, Lyles, and Brooke placed one, two, three.

In the Southern Prep Tournament, sponsored by the Chattanooga Rotary Club, McCallie placed among the leaders. Dixon Brooke's sub-par 69 on the second round was the lowest eighteen-hole score turned in, and his 54-hole total placed him in fourth place.

Lettermen for the '37 season were Dixon Brooke, John Steiner, Sloan Bashinsky, Bill Tucker, and George Lyles. Steiner and Tucker are the only lettermen in school, but a good team is expected with the addition of some of the reserves.

SWIMMING

The 1937 edition of the McCallie swimming team had a fairly successful season, winning all dual meets against Mid-South opponents, but losing the championship meet at McCallie Lake to Darlington by a bare two points.

In the first meet of the season the "Bluefish" turned in a surprise victory over the Castle Heights tankmen, defeating them 42-33 in Lebanon. In this meet the Blue free-style artists showed promise of real class by amassing the majority of McCallie points and taking both first and second places in the fifty and hundred-yard races.

The next week the team journeyed to Knoxville for the University of Tennessee invitation meet. Against the best competition met all season, the Blues managed to win only one second place medal.

A week later McCallie played host to Knoxville High in their only non-association dual meet of the year and bowed, 26 to 49. Nelson won first place in the diving for the home team's only win of the day.

Next the "Bluefish" entertained Darlington and defeated them, 38 to 27. Again the free-style dashes and the relays enabled McCallie to win the day.

The Mid-South meet two weeks later was the season's climax. Darlington, Castle Heights, and McCallie entered on even terms. At the end of the preliminaries McCallie still had a man in every event. In the finals, though, the three-way division of points put Darlington out in front. After the boys from Rome had clinched the meet by winning the medley relay, the "Bluefish" swam the last race of the day in the 200-yard free-style relay to win that event and pull up within two points of victory. McCallie's entrants in the diving, Goree Nelson and Bruce Kenney, finished one-two in their specialty.

Letters were awarded to Co-Captains Lester Shannon and Bruce Kenney and to MacRae Bridger, Kedar Bryan, Billy Grier, Bill Harrell, George McElroy, Goree Nelson, and Alex Wells. Nelson was elected captain for the 1938 season.

The 1938 schedule includes dual meets with Central, Darlington, Castle Heights, and Knoxville High, as well as the U. T. invitation meet, the city prep meet, and the annual Mid-South meet. Five lettermen are back and with added experience should have an even better season this year.

TENNIS

The 1937 tennis team played 12 matches, winning 10 and losing only two. The team was beaten by the Tennessee Freshmen and lost to Baylor once by a 4-3 count. The Blue team took the championship of the City Prep League, winning twice from City and twice from Central by 7-0 scores and taking a 5-2 decision from Baylor.

Darlington fell twice before the Blue team, as did Morristown High. In the University of Tennessee invitation meet the doubles title was won by A. R. McCammon and Ed Anderson, who were awarded medals.

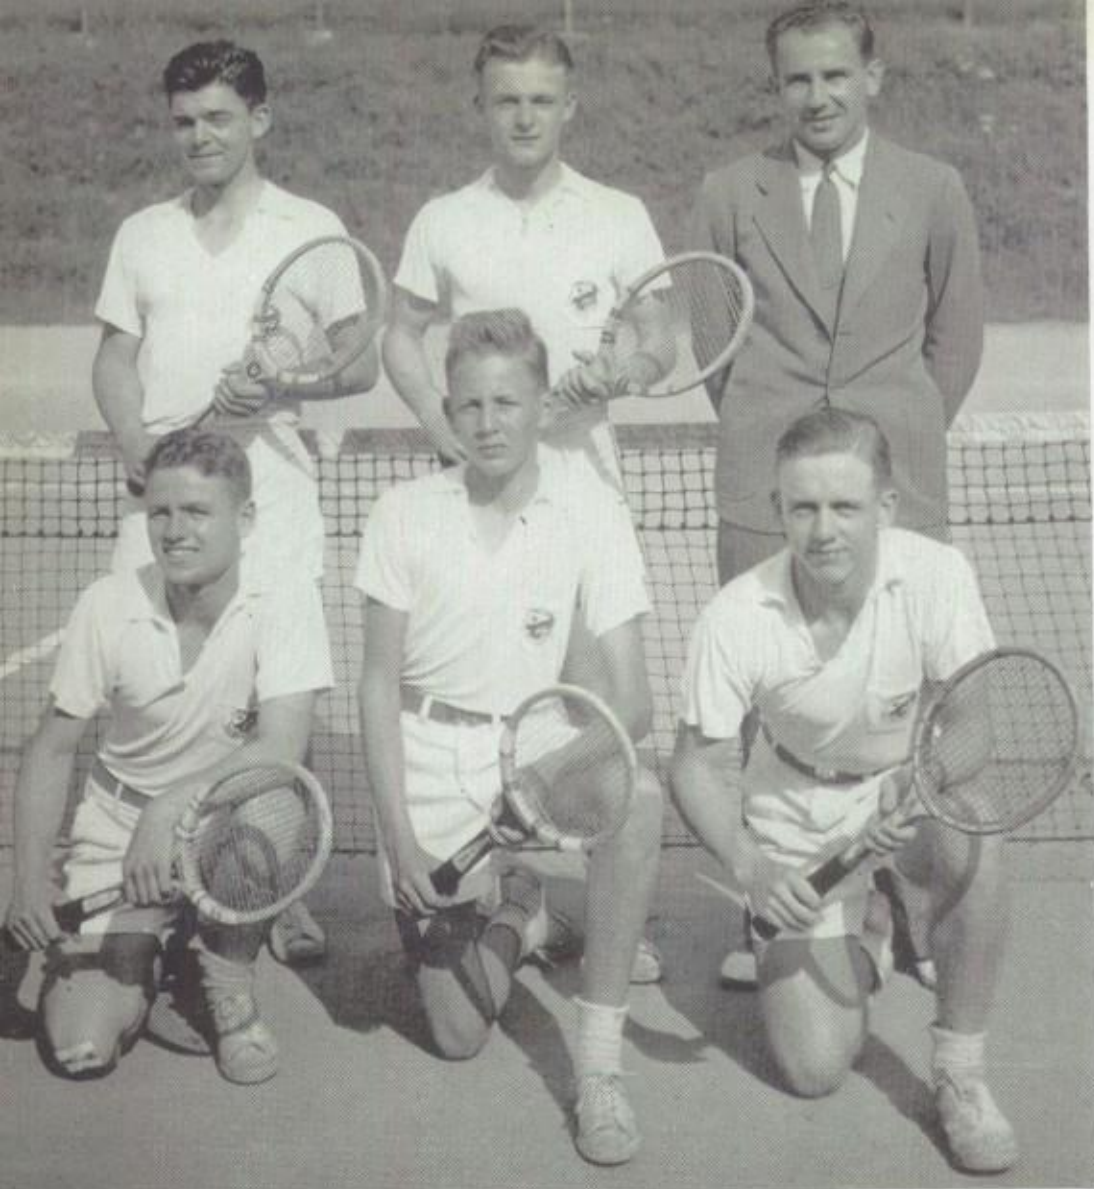

In the Mid-South tournament McCallie's number one doubles team, Lanham Frazier and Brabson Littleton, reached the semi-finals, and Littleton reached the singles semi-finals before losing to Joe Davis of M. B. A. The number one doubles combination lost to Baylor in the semi-finals.

Letters were awarded to the following men, ranked in order: Lanham Frazier, Brabson Littleton, Ed Anderson, Phinizy Percy, and Captain A. R. McCammon. All except McCammon are back in school and McCallie followers expect the Blue team to better last year's showing in the Mid-South, where they finished third, and repeat their victory in city championship play. full schedule of dual meets is being arranged and this year's team will compete as usual in the U. T. and Mid-South events.

FOOTBALL

Coach "Bitsy" Howard, ably assisted by Coaches "Buck" Flowers and "Bull" Benton, turned in one of the best coaching jobs of his career during the 1937 season, and although handicapped by lack of material, lost only two games.

Captain "Wimpy" Jones, Lanham Frazier, Ed Anderson, and Arthur Sibold were the only veterans to answer the call in September, and of this quartet Anderson was out with injuries a large part of the season. Despite their lack of experience, the Blues took their first two games with Duncan and Notre Dame in stride to run their string of consecutive victories to twelve.

When City took a 6-0 decision the following week it marked McCallie's first defeat since the Armistice Day mud battle with Darlington in 1936, and the first time in 22 games that McCallie had failed to score, the last scoreless game for McCallie being a scoreless tie with Darlington on November 11, 1935.

Two thrilling ties with B. G. A. and Darlington followed, after which the Asheville jaunt resulted in a 7-0 win. Another tie game with St. Andrews followed, then a 20-0 defeat at the hands of an undefeated Baylor team. The season's finale found the Blue on the

long end of a 20-6 score against the Bolles School of Jacksonville, Florida.

Lanham Frazier led the individual scoring with 32 points, followed by Captain "Wimpy" Jones with 28. No story of the season would be complete without mentioning the fine work of Mr. McDowell as trainer and the efficient staff of managers, Kenner Amos, Boren, Buice, Stephens, Jack Efird, and James Stimson. Mr. Purdy's contribution as the statistical genius, the cheerleaders, Rathmell Brooks and Paul Thomas, and the work of Mr. McIlwaine and his assistants, headed up by Billy Benoit on the business end.

McCallie 20, Duncan 0.

In the opening game of the season McCallie met the Duncan Longhorns and scored a decisive victory, winning 20 to 0. McCallie scored first on a pass to Jones from Frazier, and on a reverse "Wimpy" carried the ball over for our second tally. Frazier plunged over for our final score.

McCallie 21, Notre Dame 0.

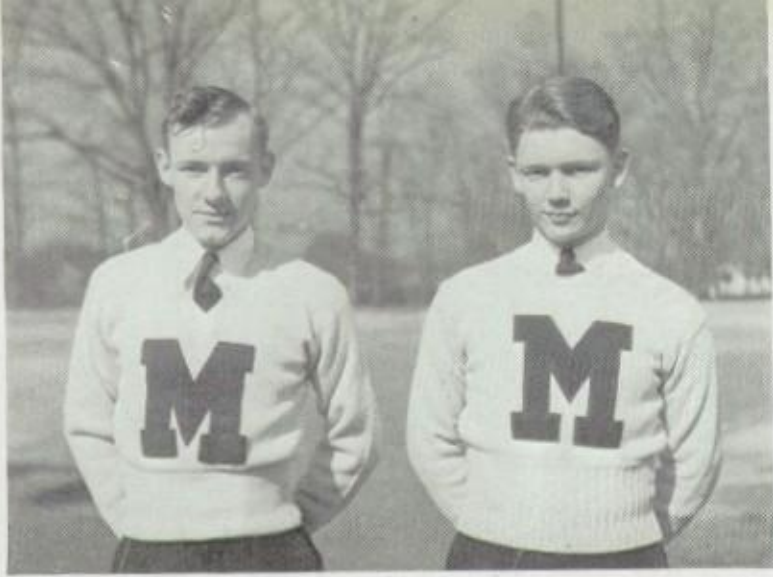

McCallie took advantage of the breaks early in the game to take a good lead, which was never even threatened. Sibold picked up a blocked punt and carried it across for the opening touchdown. Then Jones ran back a punt sixty-five yards for the second. Notre Dame's defense stiffened, and not until the last quarter was McCallie able to cross the last stripe. McAshan carried the ball over the goal to make the final count 21 to 0.

McCallie 0, City 6.

The next game was a heartbreaker to lose. McCallie outplayed City almost the whole game, stopping their "steamroller" offense cold. Jones, in the second quarter, carried the ball over the goal, but the touchdown was called back. A moment later Blake of City intercepted a flat pass and ran ninety yards for the only score of the night. A fighting McCallie eleven was unable to push it over in the last half, and the whistle blew with City ahead, 6 to 0.

McCallie 6, B. G. A. 6.

The next Mid-South game was played with B. G. A., the hardest-hitting team McCallie met all year. They scored first following some passes, with Lucas hitting the line for the score. The battle waged back and forth until the fourth quarter, when a blocked punt enabled McCallie to score on a pass to Frazier. The placement for extra point hit the cross-bar, and the game was tied, 6-6. With only a minute left, an-

CHEERLEADERS

Rathmell Brooks, Paul Thomas

other pass to Frazier was good for a touchdown, which was called back for a penalty.

McCallie 14, Darlington 14.

In the hardest fought game all season, McCallie held a stronger Darlington team to a tie. Darlington scored early in the game on Culberson's 80-yard run, but McCallie came back to score on a blocked punt and a pass. In the final period Darlington hit the line for the second score. A spirited drive netted McCallie's tying score. The outstanding play of the game was McCallie's holding Darlington on the one-foot line as the final whistle blew.

McCallie 7, Asheville 0.

The next week the team traveled to Asheville to play a non-Mid-South game. Jones scored all of McCallie's points in the first period on an off-tackle play. Asheville threatened several times late in the game, but McCallie's line held and the game ended with McCallie winning, 7-0.

McCallie 0, St. Andrews 0.

The surprise game of the year was the scoreless tie with St. Andrews on a muddy field. Anderson's booting kept McCallie in the opponents' territory most of the game. Fumbles were numerous and St. Andrews took advantage of them to drive deep toward McCallie's goal several times. Here the forewall held and any scoring attempts were halted.

McCallie 0, Baylor 20.

An unusually strong Baylor team overpowered a fighting McCallie eleven in the annual classic. The first touchdown was made on a reverse pass to Strong, who took the ball on the five-yard line and carried it over. Baylor scored again when Oakes circled left end for three yards. In the fourth quarter the McCallie line held Baylor for downs on the ten-yard line, but they came right back after the kickoff to score again on a plunge. McCallie put up a creditable battle, even though outclassed by a much stronger Red team.

McCallie 20, Bolles 6.

The final Blue opponent of the year was Bolles, from Jacksonville, Fla. In a sea of mud, McCallie's backs tore through the Bolles line for three scores. Bolles tallied first, but the Blues came back on a blocked kick to tie the score. Frazier scored the last two touchdowns on an intercepted pass and a cut-back. The result of the season was four victories, three ties, and two defeats.

The following men were awarded letters:

CAPTAIN ED JONES—M**—Quarterback

"Captain Wimpy" finished his prep school football career in a blaze of glory by leading an inexperienced Tornado through a successful season. Second high scorer for McCallie, brilliant quarterback and field general, he made second team All-City, and was one of the flashiest ball carriers in the city.

ARTHUR SIBOLD—M*—Center

Art is a great player to have on anybody's ball team. He played consistent ball all year, made the All-City, and was elected captain of next year's Tornado, because he is a leader and a spirited player. The center position will be more than filled next year.

LANHAM FRAZIER—M*—Halfback

Frazier, usually on one end of that Jones-Frazier passing combination, was McCallie's high scorer. An elusive and shifty back, Lanny made the second All-City team at halfback. His all-'round work earned him his second varsity "M" in football.

FOOTBALL TRAINERS AND MANAGERS

STANDING: Amos, K., Boren. SITTING: Mr. McDowell, Buice, Stephens, Efird, J., Stimson, T.

THE 1937 FOOTBALL TEAM

BACK ROW: Amos, K., Littleton, Lea, L., Pickens, McCallie, Senter, Alder, Smitherman, S., Saunders, Adair, Boren. MIDDLE ROW: Mr. McDowell Frazier, McJunkin, Rigell, Wood, R., Montgomery, Cooper, R., Logan, Shannon, Simms, W., Mr. Benton. FRONT ROW: Mr. Flowers, Snipes, Grimes, McAshan, Sibold, Captain Jones, Anderson, McFarlin, Allcott, Holmes, Mr. Howard.

ED ANDERSON—M*—Halfback

Ed was one of the four lettermen to return from last year's "Blue Tornado." Although lime burns kept him from the Baylor game, he gave a great account of himself in the games that he was able to play in. At least one position in the backfield of next year's team will be well filled.

GEORGE ALDER—M—Guard

Off to a slow start this year, George improved greatly as the season progressed. By the end of the year he was going strong, and we hope that his fine play will continue on through next year's season.

CHARLES ALLCOTT—M—Tackle

Playing right tackle and kicking off for McCallie this year was Charlie "Ox" Allcott. A bulwark on defense, he also opened gaping holes in the opponents' line consistently to let the Blue backs through. Allcott played a good brand of ball all season and won his well-deserved "M."

MURDOCK DUNN—M—Guard

With only one year's experience behind him, Muck played very good ball all year and gave a good account of himself. His willingness to learn and his desire to win went far in making him the ball player he was. His leaving will hurt McCallie greatly.

GASTON GRIMES—M—Tackle

"Zeke" came up from last year's "B" team to carry away honors for his defensive work in the line. One of the most aggressive men on the team, he fairly tore the opponents' line to shreds by his powerful charge. Gaston won a place on the second All-City team as tackle.

HENRY HOLMES—M—End

Henry was one of the best defensive linemen on this year's team. Playing both tackle and end, he proved that his side of the line could halt the best of them. His spirit and fight bolstered the team throughout the season.

JIM McASHAN—M—Back

McAshan was McCallie's plunging fullback, and his exceptional work at backing up the line and carrying the ball earned him his letter. Jim did a good job of kicking and his accurate passing was a big factor in the Blue offense.

SAM PICKENS—M—Fullback

Due to a broken arm in the first game of the season, Sammy was unable to play until the Baylor game, but his hard running and vicious tackling in these few games won him his letter. He was a much-missed regular, and undoubtedly he would have been in the line-up all year.

FRANK SAUNDERS—M—Guard

Frank made one of the biggest hops that a player can make. He came from the fourth team to a regular position on the varsity. His scrap and fire caught the eyes of the coaches, and they knew he would give his all in a game, so he started most of the games. Watch him next year.

POWELL SNIPES—M—End

Holding down the left end position for the '37 Blue Tornado was Powell Snipes. His outstanding games were against Notre Dame and City, in which he played brilliant football. By winning a position on the second All-City team by his brilliant all-round play, he has proven his athletic ability.

LUKE LEA—M—Guard

Unfortunately Luke came to McCallie without very much training, but the coaches went to work. Their personal attention and his determination to do brought out a scrapper to the last pound. McCallie hates very much to lose him.

GUS LITTLETON—M—Quarterback

When the team was in a hole and didn't possess much fire, one ball player was consistently furnishing the spark. This was Gus, whose spirit was the admiration of the coaches and the players. It is too bad he can't be back next year.

DAVID McCALLIE—M—Tackle

Although David started out the season slowly, due largely to injuries, he ended it with a bang. Probably playing his best game against St. Andrews. Coach Howard will not have to worry greatly about a tackle next year with David back.

CARL McFARLIN—M—Guard

Carl played good football all season, using the experience he had on the "B" team last year to good advantage. He was a faithful worker and a hard charger and is being counted on to take a starting berth next fall.

NICKY SENTER—M—End

Nicky proved by his splendid play that he is a great asset to the McCallie team. Since he is coming back next year great things are expected of him. McCallie will not be ashamed to have Nicky walk down the street with a "M" on his sweater.

MR. W. WALLACE PURDY
The Demon Statistician

SCOTT SMITHERMAN—M—Guard

One of the youngest boys on the squad, Scott, by his fighting spirit and determination, earned his letter. No one worked harder, tackled harder or played harder than Scott all year, and his presence in the line next year should be a big help.

KENNER AMOS—M*—Manager

For the past two years "Moose" has managed the Blue Tornado and is considered by the team to be an exceptionally efficient manager. His willingness to help the players brought expressions of gratitude from both players and coaches.

CONGRATULATIONS, CAPTAIN-ELECT SIBOLD!

After the election of the 1938 captain at the football banquet, Ed Anderson, elected alternate captain; Coach Buck Flowers, Coach Howard, and retiring Captain Wimpy Jones congratulate Arthur Sibold (center) on his election.

The Fifth Team Stars in Action

THE 1938 BASKETBALL TEAM

STANDING: Littleton, Murphy, Steiner, McAshan.
SITTING: Biber, Huddleston, Frazier, Lee, W., Sibold.

B A S K E T B A L L

While the 1938 basketball team holds the unenviable distinction of being the only basketball team in Coach Howard's regime at McCallie to lose more games than it won, it nevertheless played fine basketball in spots and lost most of its games by narrow margins. Twelve victories were chalked up against sixteen defeats, and 780 points were scored while opponents were tallying 830.

Led by Captain Lanham Frazier, and with only Biber and Sibold back from last year's substitutes, the team lacked experience and dropped seven of the first nine games. After that came a five-game winning streak, after which the team played in-and-out ball, winding up the season by losing to Castle Heights in the Mid-

South tourney quarter-finals by a 41-35 score. McCallie was in the ball game all the way, a scoring spurt by Heights in the last two minutes breaking a 33-33 deadlock.

Castle Heights went on to win the tournament for the third straight year.

Jim Biber led the individual scoring for the year with 224 points, followed by Frazier with 149, Huddleston with 130, McAshan with 104, Sibold with 74, Lee with 44, Steiner with 31, Belk with 8, Williams with 7, Tucker with 4, and Murphy with 2.

Six men were awarded letters: Captain Lanham Frazier, Alternate Captain Jim Biber, Arthur Sibold, Gordon Huddleston, Jim McAshan and John Steiner. Bill Lee had won a berth at

one forward, but scholastic difficulties at mid-term lost him to the team. Barnard Murphy and Brabson Littleton were on the squad all season, and at the close of the season John Belk, Pat Williams, and Bill Tucker were moved up to the varsity from "B" team ranks.

Frazier was selected on both the *Chattanooga Times* and *Chattanooga Free Press* All-City

teams, and Biber and Frazier were both selected on the coaches' All-Mid-South tournament second team. Bob Cooper, substitute center, had his foot broken in the St. Andrews game and was out for the remainder of the season.

Steiner and Frazier are the only lettermen not returning, and Littleton is the only other man not planning to return next fall.

THE "B" TEAM

The "B" team, under the leadership of Coach Con Davis, had a very successful season, winning six out of eight games in the City League, ending with a tie with City for the championship. Winning one and losing one game to Bradley, and beating Dalton and G. M. A., they climaxed a brilliant season by beating Baylor, 23 to 21.

The following men were awarded the "B" team letter in basketball: Tucker, W., Williams (Capt.), Buford, E., Vollmar, Lee, W., Montgomery (Alt. Capt), and Belk, J.

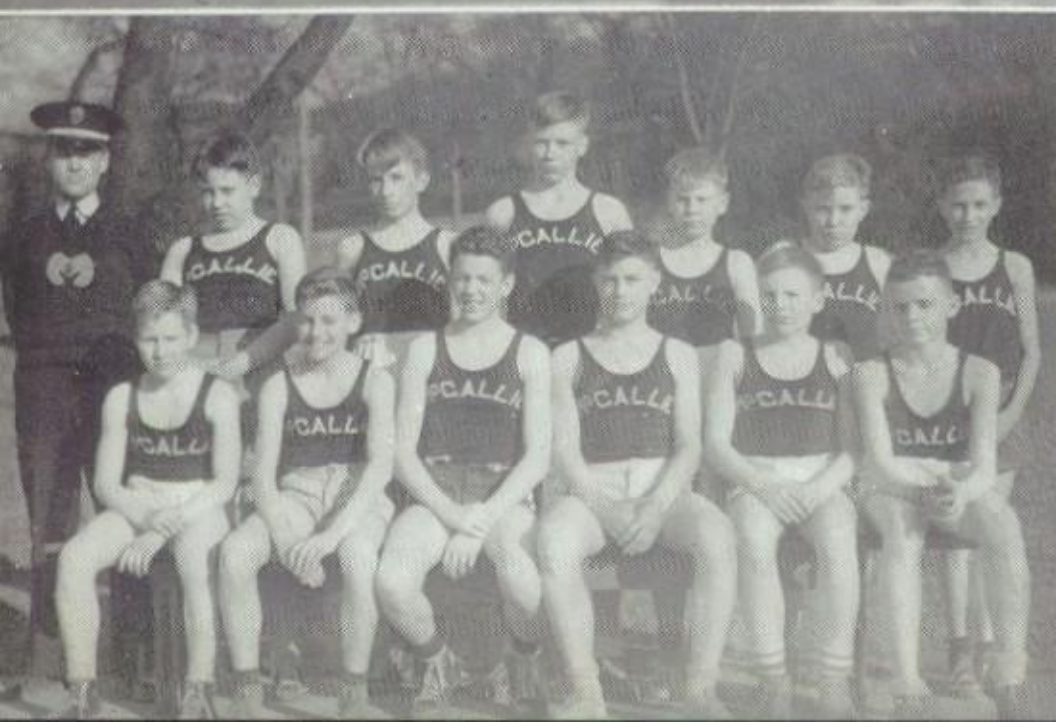

THE THIRD TEAM

The third team had a fairly successful season by winning one game and losing two. The team was in a slump when the City Tournament came around and were eliminated in the first round.

THE FOURTH TEAM

The following men were awarded the fourth team letter in basketball: Amos, R., Boshart, Caldwell, H., Caldwell, R., Gilman, Harvey, T., Millis, Reese, Eaves, Rothberger, Stimson, T., Greene, Long, and Lumsden (Mgr.).

THE FIFTH TEAM

The following men were awarded the fifth team letter in basketball: Adams, J., Buffalow, Gardner, Talley, Lancaster, Stimson, B., Thompson, Rowe, and Linam.

THE 1938 SOCCER TEAM

BACK ROW: Pitts, Dunn, Wallace, M., Loder, Payton, Boren, Watt, Dooge. FRONT ROW: Harvey, B., Shannon, Hall, E., Jones, E., Simpson, Amos, K., Holmes, Nelson, McCallie, Grimes, Snipes, Allcott.

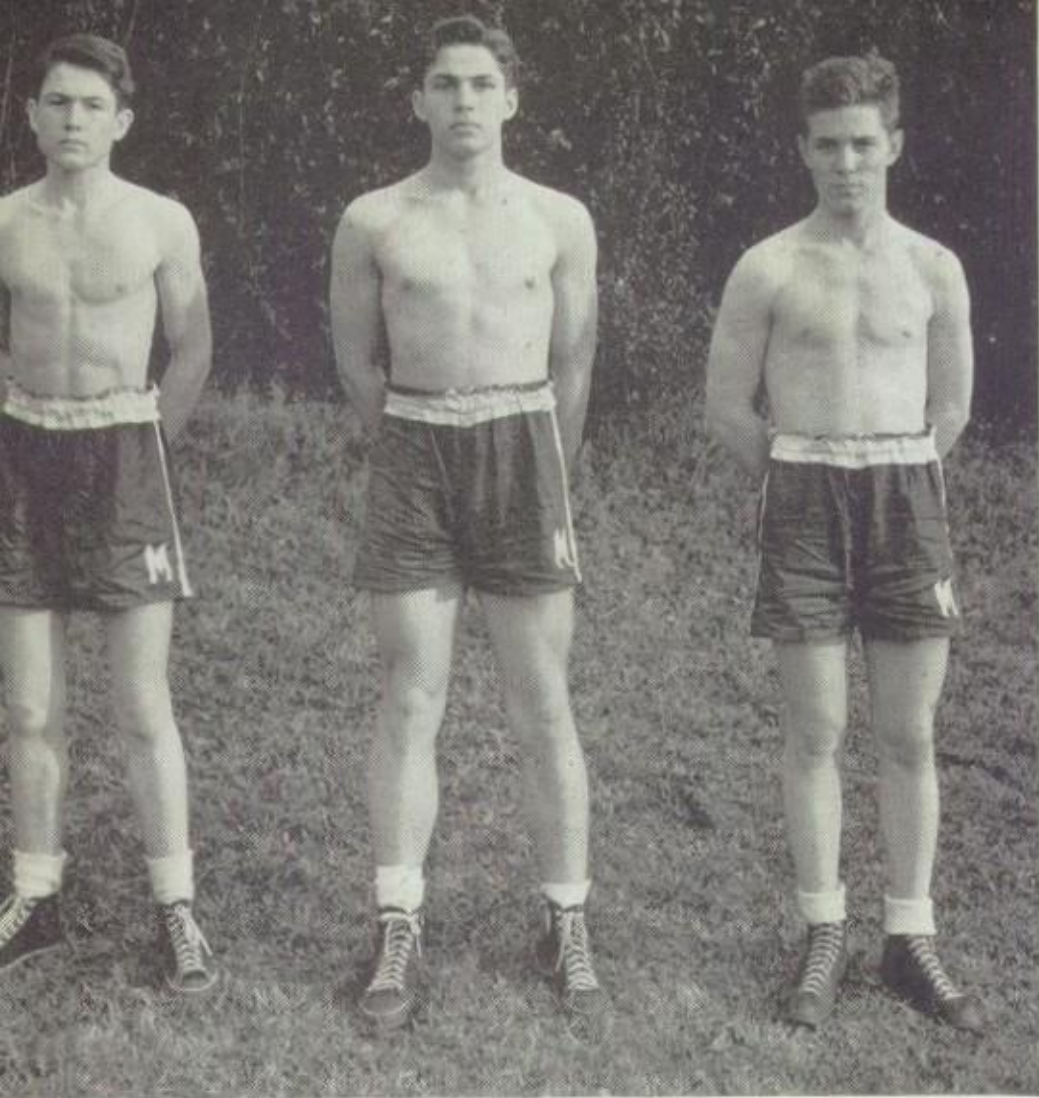

S O C C E R

McCallie's 1938 soccer team enjoyed the best season in the history of the school. In four games with the Asheville School for Boys the team held its own—winning two games, 4-2, 3-1, and losing two, 4-3 and 2-0. These games are worthy of note, since soccer is Asheville's major sport and it is only a minor sport here. For a comparatively new team to beat such an experienced one speaks well for the players and the coaches. The other two games which were played were against Baylor. McCallie booted her way to two more victories against this ancient rival, winning 4-1 and 5-0. Mr. R. L. McCallie deserves much credit for his coaching, and the entire team merits hearty commendation for its fine showing.

Captain Henry Holmes led the team this year with his inspiring play. He, Alternate Captain "Wimpy" Jones, B. H. Harvey, Goree Nelson, and Erwin Hall proved to be the most consistent scorers. "Wimpy" was the high scorer of the team with 7 goals; the other members followed in this order: Holmes 4, Harvey 3, Nelson 1, Hall, E., 1, McCallie 1, and Kidd 1.

In both games with Baylor, McCallie was off to a slow start, but after the half they turned on the steam. In the first game three goals were made in the third quarter and four were made in the third quarter of the second game. The latter one turned out to be more of a comedy than a soccer game. It was played in two inches of mud, and the team loped off the field plastered in it from head to foot.

The lettermen are: Goree Nelson, Bradford Kidd, Erwin Hall, Gerry Dooge, Ed Jones, Henry Holmes, B. H. Harvey, Lester Shannon, "Muck" Dunn, David McCallie, Joe Simpson, Claudius Dawson, Frazier Payton, Powell Snipes, Charles Allcott, Fred Moody, and John McLelland. The latter two were managers.

McCALLIE'S GOLDEN GLOVERS

Frank Bird, bantamweight champion of high school division; Howard McJunkin, light-heavyweight champion of high school division; Billy Grier, welterweight.

Although there was no regular boxing team this year, quite a few boys entered both intramural and sectional competition. Three McCallee boys, Frank Bird, Howard McJunkin, and Billy Grier, entered the Golden Gloves Boxing Tournament held at the Municipal Auditorium during February. Of these, Frank Bird and

BOXING

Howard McJunkin were successful in winning championships in their respective weight divisions. Bird won the bantamweight championship and McJunkin the light-heavyweight crown in the high school division.

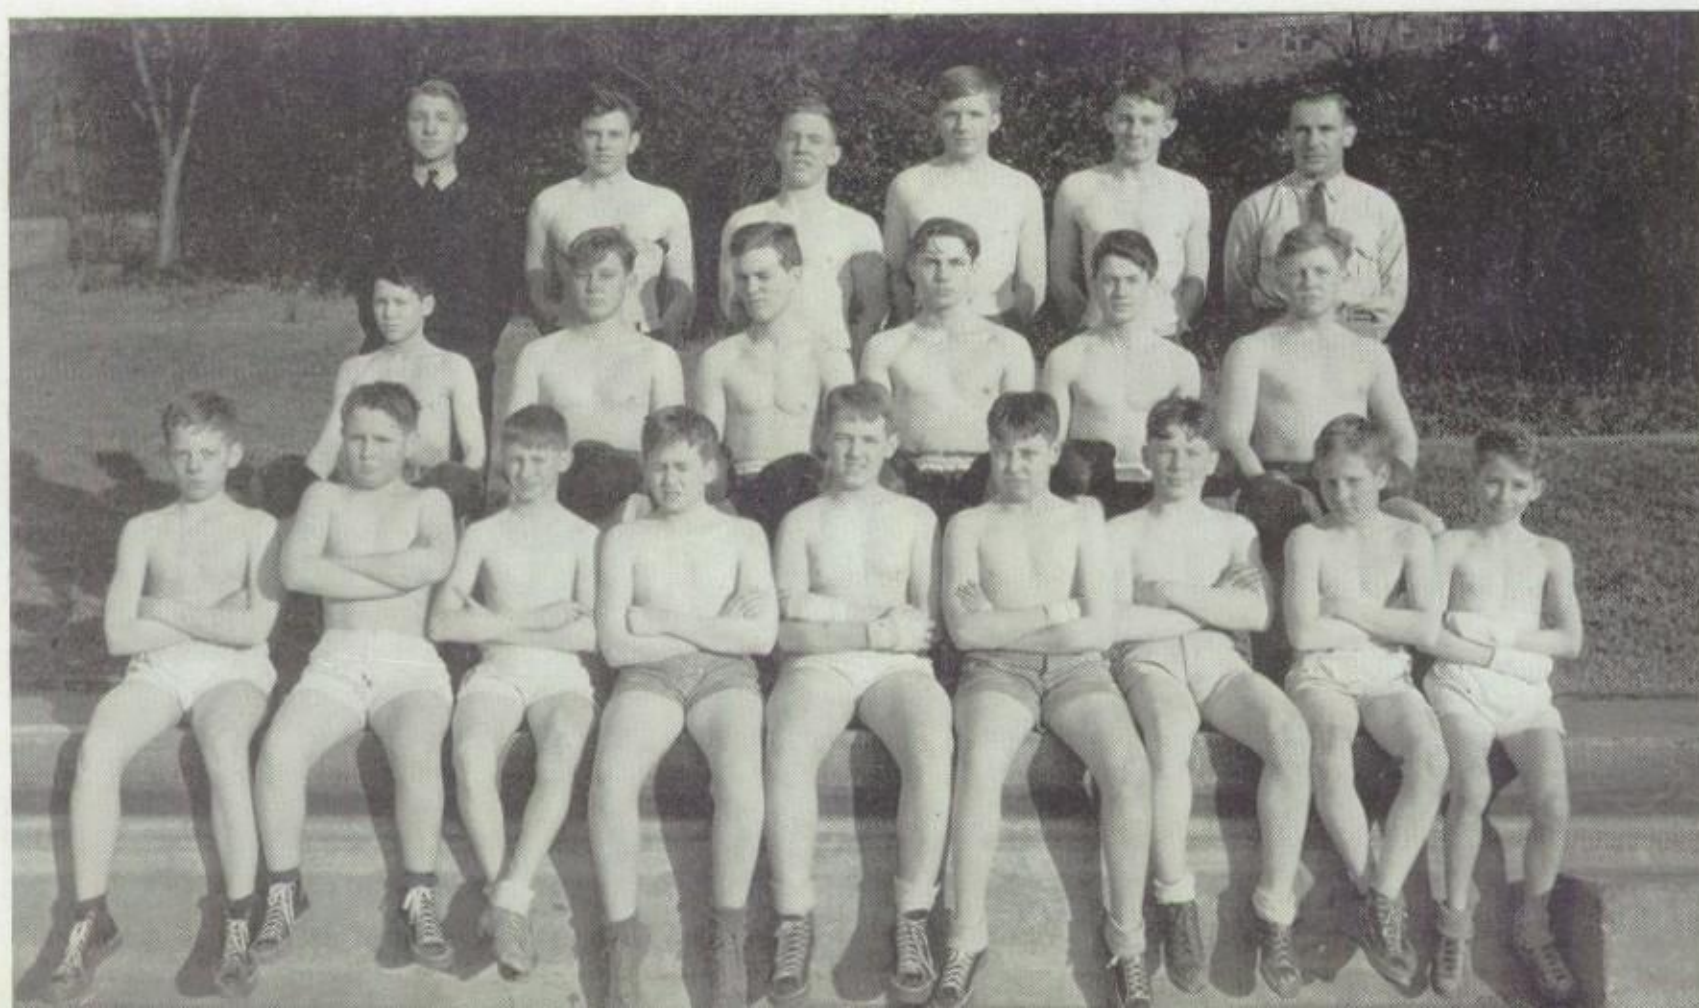

The annual intramural boxing tournament this year was very colorful and displayed fine sportsmanship on the part of the entries. The champions of the respective divisions are as follows: For the junior division, in the 80-pound limit, Mac Thompson; in the 90-pound limit, Jimmy Adams; in the 100-pound limit, William Weeks; in the 110-pound limit, Bob Jewell; in the 120-pound limit, Robert Caldwell; for all boys over 120 pounds, Clarence Hester.

In the senior division the champions were: For the 110-pound limit, John Campbell; for the 140-pound limit, Claude Carter; for the 150-pound limit, Henry Badham; in the 170-pound limit, Scott Smitherman; and in the heavyweight division, Howard McJunkin.

Badham and Hamblen were awarded medals for showing the most improvement in the senior and junior divisions, respectively.

THE 1938 BOXING TEAM

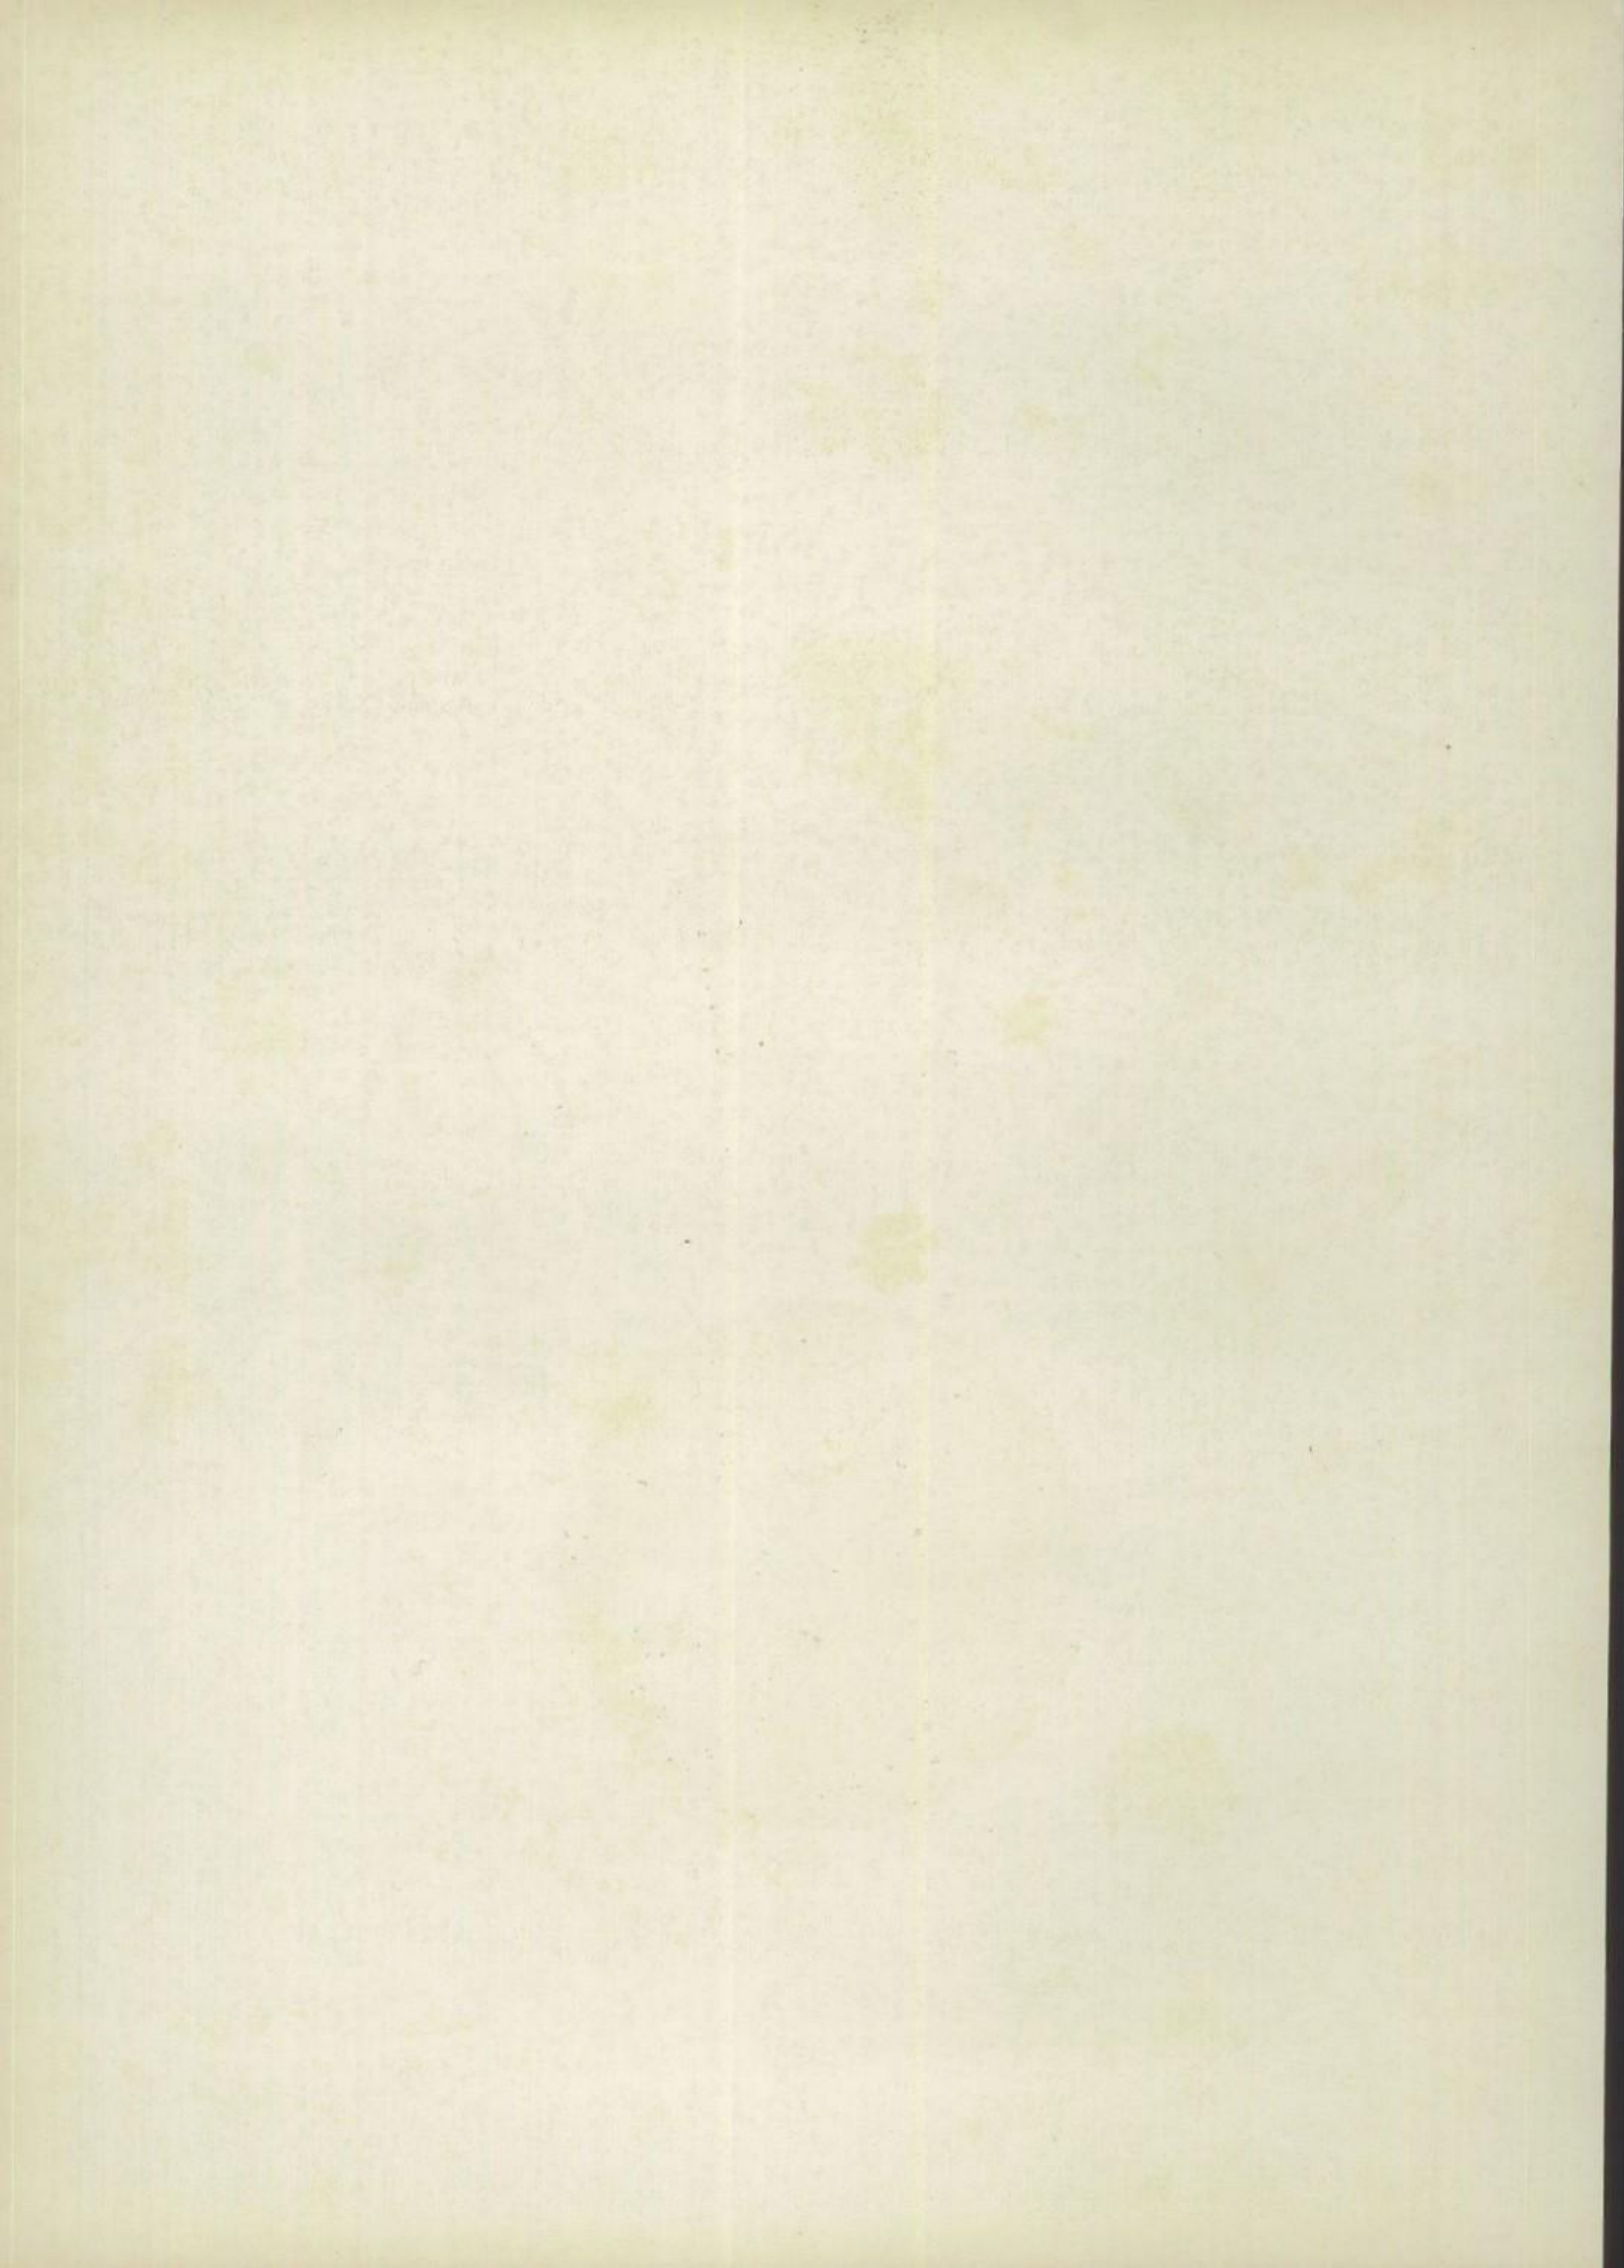

BACK ROW: Grice, Feamster, Henderson, W., Gilbert, Thrasher, Coach Flowers. MIDDLE ROW: Wallace, F., Smitherman, S., Grier, McJunkin, Bird, F., Badham. FRONT ROW: Lee, J., Weeks, Brockett, Wallace, G., Hamblen, Smith, G., Robinson, H., Linam, Taliaferro, G.

CAMPUS LEADERS

LANHAM FRAZIER

Lanham is one of the few boys in school that can really be called a leader. The qualities of leadership include a genial personality, an ability to keep one's head while under pressure, and an ability to understand and handle people. All of these qualities are contained in the character of Lanham. His leadership on the basketball floor has been especially outstanding, and the good will and spirit among the members of the team is largely due to his efficient captaincy.

ED JONES

"Wimpy," as he is known to all of us, can certainly be ranked as a campus leader, for by his leadership on the athletic field and in the classroom we have all learned to regard him as one of the outstanding boys in school. He has won the friendship of both teachers and boys by his willingness to do anything in his power to help someone and his broad smile with which he greets everybody. A brilliant student, fine athlete, good soldier, and all-around boy, "Wimpy" carries with him the sincerest good wishes of the student body.

HARRY JONES

Harry in his six years at McCallie has made a most enviable and unusual record, rising to the rank of Captain and Adjutant of the battalion, and being chosen as the Editor of the *PENNANT*. His scholastic work has been always at the top of his class since his first year here. Harry took part in many outside activities of the school, and has been known for always putting them over successfully. An outstanding boy and a true friend, he can truly take his place among this year's campus leaders.

CAMPUS LEADERS

BRABSON LITTLETON

Gus entered McCallie in the seventh grade and has earned for himself a very distinguished place in the graduating class of 1938. One of the best Majors that McCallie has ever had, Gus, by his leadership, turned out the best drilled battalion of many years. Besides his military superiority, he was a very capable athlete, making his varsity "M" in football, basketball, and tennis. He is also one of the social leaders, holding a position on the Hop Committee and in the hearts of many of the fairer sex. His will be a difficult position to fill with as efficient a leader.

WALTER LOGAN

Since he entered McCallie as a little "rat," Walter has distinguished himself as a real leader. His many honors in the military department of the school won for him the rank of Captain, and his leadership is further shown by his company's confidence in him and their willingness to work for him. His amiable personality was well known throughout the school, and his ability to make and keep friends is far above the average. Among his other positions of merit was his Business Managership of the PENNANT, a task that he completed most successfully, exemplifying the type of work that he has done in this field from year to year. Walter is undoubtedly due the title of a campus leader.

ARTHUR SIBOLD

Arthur has qualities of leadership that were seldom shown by boys at McCallie. His ability to have charge of other boys in all activities was renowned, and he was often called upon to take responsible positions. He was the captain of Company "A," president of the student senate, and captain-elect of the 1938 football squad. Arthur has a most pleasing personality, a trait that is necessary to a leader. Arthur is a true gentleman, and to follow a leader with this quality is to assure yourself of a life beneficial to others. Arthur's life at McCallie has exemplified a real campus leader.

PENNANT

LANHAM FRAZIER

LANHAM FRAZIER

For a boy being at McCallie for only two years, Lanham has certainly made an enviable record. He is President of the Student Council and one of the most popular boys in the boarding department, taking part in all phases of the curriculum: athletic, academic, and social. For his prowess and leadership in the first of the above mentioned, he was chosen this year as the best athlete in school.

ARTHUR SIBOLD

One of the surest ways to determine a boy's popularity in his school is by popular vote. By this method Arthur was chosen as the most popular boy in school, an honor that he well deserved. Personality that attracts both sexes, friendliness, and a willingness to aid at any time when called upon give Arthur the qualities that merit popularity.

GUS LITTLETON

In the years that Gus has been at McCallie, he has been renowned for his military bearing and his neatness in appearance. For his ability and effort as a cadet, he was chosen major of the battalion, and by separate ballot, the best officer and neatest cadet in the battalion.

WIMPY JONES

Wimp's ever-smiling face and ever-pleasant personality were an asset to the student body throughout his stay at McCallie. For these qualities, he was chosen in his last year as the most accommodating boy in the school. Wimpy was high up in the balloting for the most brilliant boy and best athlete in school, giving us an idea of his versatility.

HARRY JONES

Harry's unfailing courtesy and gentlemanliness earned for him the selection as the most courteous boy in the student body. During his entire stay at McCallie, Harry has always exemplified the characteristics of a true McCallie gentleman, and has utilized his personality unselfishly in all the varied activities of the school. His spirit has meant much to McCallie.

ARTHUR SIBOLD

GUS LITTLETON

Selections . . .

SAMMY PICKENS

During one year at McCallie, Sammy has made almost as many friends as the boys that have grown up with the institution. Although a "rat," he won the respect of all, and was chosen by the student body as the best Senior "rat" in the school.

ZEKE GRIMES

Zeke, or Zero as he is affectionately known by his host of male and female friends, has been a stellar attraction at all of the social functions of the school from the very first day that he entered. His prominence in this field caused the fellows to cast a majority of votes in his favor as the Biggest Ladies' Man in school.

BOB JOHNSON

Bob is a boy that has stood high in his class throughout the entirety of his three-year stay with us. His studious nature and his unusual brilliance combined to give him some of the best grades that have ever been made at McCallie. These, among his other talents and activities, caused him to be voted both the most brilliant and most studious cadet.

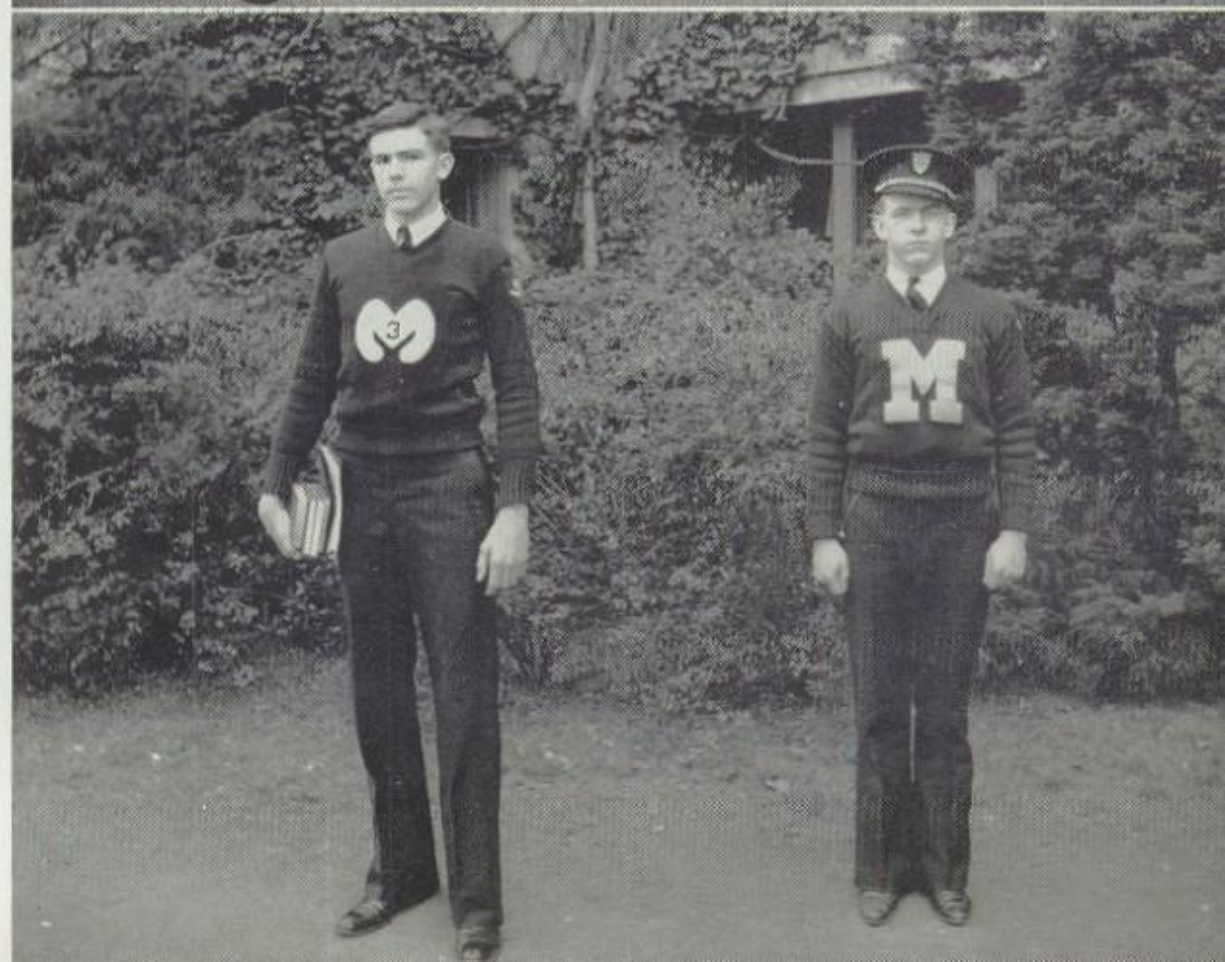

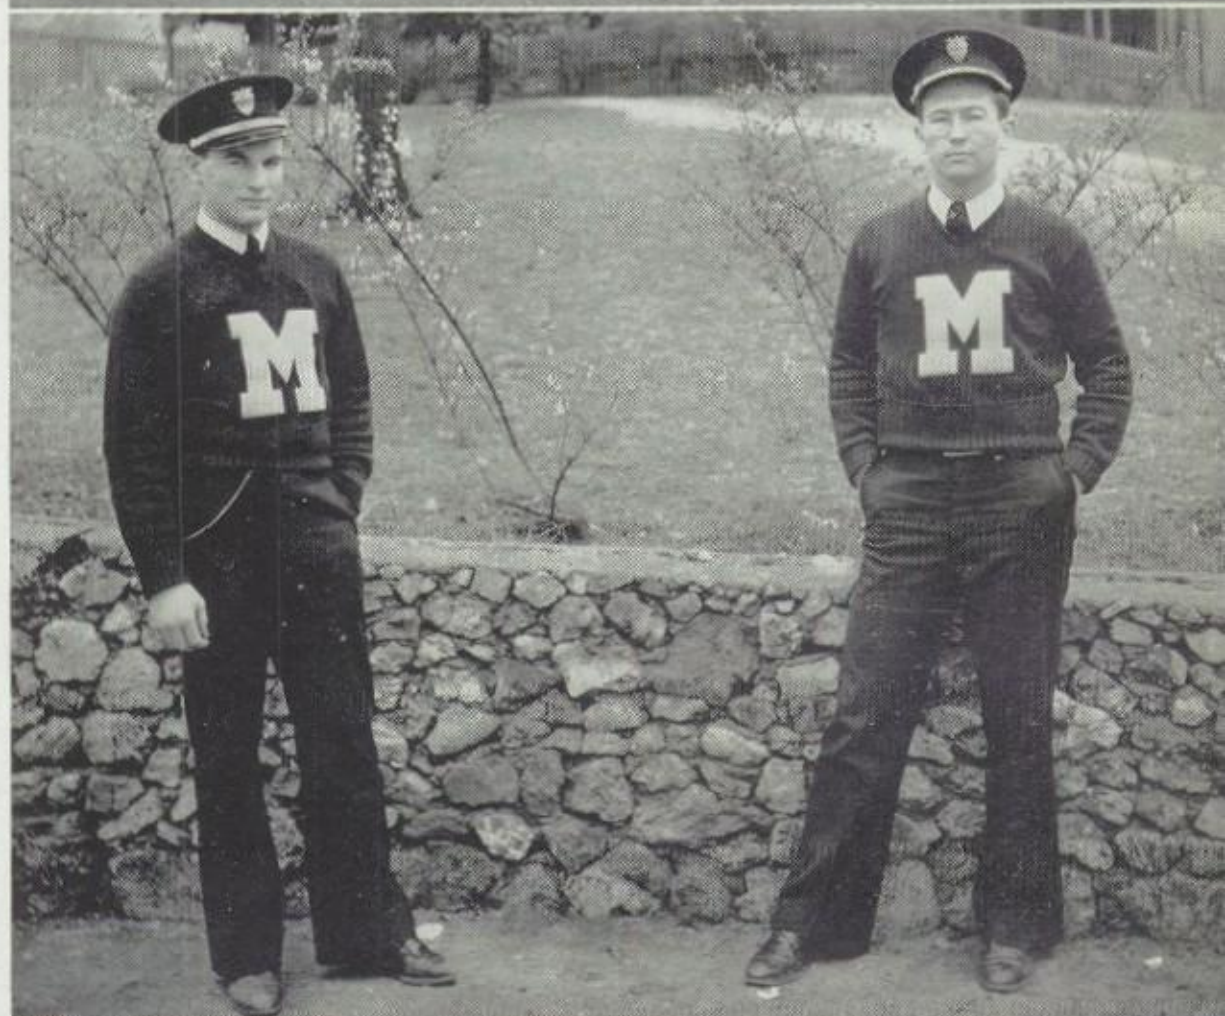

ED ANDERSON

Since the day that Ed came to McCallie from Brights', he has excelled in all of his endeavors, scholastic, military, and athletic. He has received numerous honors in all of these and is one of the best all-around boys that McCallie has ever enrolled. He was chosen this year, among other things, as the best non-commissioned officer and most popular Junior.

ONE PAIR OF EYES TO LAST A LIFETIME

Only one pair of eyes to last you all of your life—to read all the books that will intrigue you—to drink in all the beautiful scenes travel may spread before you—to enjoy the daily colorful parade of the world. Take care of your eyes. Be sure they do last through your lifetime. Avoid eye strain in poor or glaring light. Use the scientifically designed, sight saving I. E. S. lamps and make your eyes happy.
